

This may seem cliché, but my philosophy has always been "what doesn't kill you will make you stronger." I was born and raised in the central valley. I am truly blessed with a younger sister and loving parents. I have always enjoyed challenges, and serving as Student Trustee for the 2011 school year will be a challenge, and I look forward to it. Student trustee is an important role, and I believe I have the potential to be the best Student Trustee yet. This is a step that will help me grow and prepare me to take on the world. I expect my tenure as Student Trustee to make me a better and stronger person.
