INSTITUTIONAL PLANNING

The Superintendent/President shall ensure that the District has and implements a broad-based comprehensive, systematic and integrated system of planning that involves appropriate segments of the college community and is supported by institutional effectiveness research.

The Superintendent/President shall inform the Board about the status of planning.

The Superintendent/President shall ensure the Board has an opportunity to assist in developing the general institutional mission and goals for the comprehensive plans.

Decisions regarding the improvement of institutional effectiveness are made in an ongoing and systematic cycle of evaluation, integrated planning, resource allocation, implementation and reevaluation (based on analyses of both quantitative and qualitative data).

To ensure continuous quality improvement, the District’s planning processes themselves will be assessed as per the College of the Sequoias Integrated Planning Manual.

The planning system shall include plans required by law, including, but not limited to,

- Educational Master Plan
- Equal Employment Opportunity Plan
- Student Equity Plan (if required by statute)
- Student Success and Support Program Plan
- Transfer Center Plan
- Cooperative Work Experience Plan
- EOPS Plan
- Technology Plan
- Facilities Plan

The Superintendent/President shall submit those plans to the Board for which Board approval is required by Title 5.
