RESOLUTION NO. 2008-17

WHEREAS, the Board of Trustees (the “Board”) of the College of the Sequoias Community College District (the “District”) has determined that certain educational facilities and equipment within the boundaries of the College of the Sequoias Tulare Area Improvement District No. 3 of the College of the Sequoias Community College District ("Improvement District No. 3"), located within portions of Kings County ("Kings County") and Tulare County ("Tulare County"), need to be constructed, renovated, acquired and equipped to enable the District to maintain College of the Sequoias as a valuable community resource, to train and retrain local residents for higher-paying and skilled jobs, and to enhance the educational opportunities of the students in the District who desire to transfer to four-year universities; and

WHEREAS, the Board has determined that the establishment of Tulare College Center as a comprehensive education center in the Tulare area which would include new general education classrooms, instructional laboratories and instructional equipment, the construction of a vocational education complex and the creation of an agricultural/farm animal center are among the highest priorities of the Board; and

WHEREAS, notwithstanding the possibility of receiving $98 million of state money for the Tulare College Center Campus, the State of California (the “State”) is unwilling to provide funds necessary to complete the Tulare College Center and State contributions are increasingly linked to the District's ability to locally fund a portion of the costs of Tulare College Center Campus development; and

WHEREAS, in the judgment of the Board, it is advisable to provide additional funding for a Tulare College Center Campus and related facility, technology, and safety needs by means of a general obligation bond; and

WHEREAS, Proposition 46, approved by the voters of the State of California on June 3, 1986 ("Proposition 46"), amended Section 1(b) of Article XIII A of the California Constitution by adding a provision which exempts from the 1% of full cash value limitation, those ad valorem taxes used to pay for debt service of any bonded indebtedness for the acquisition or improvement of real property approved on or after July 1, 1978, by two-thirds of the votes cast by voters voting on the proposition; and

WHEREAS, Chapter 3, Part 10, Division 1, Title 1 (commencing with Section 15300) of the Education Code (the “Act”) provides that Improvement District No. 3 may call an election for the purpose of seeking voter approval for the issuance of general obligation bonds by Improvement District No. 3; and
WHEREAS, the Board of Supervisors of each of Kings County and Tulare County have adopted a resolution causing the provisions of the Act to be applicable within each of Kings County and Tulare County; and

WHEREAS, on November 7, 2000, the voters of California approved the Smaller Classes, Safer Schools and Financial Accountability Act ("Proposition 39") which, as of its effective date, reduced the voter threshold for *ad valorem* tax levies used to pay for debt service or bonded indebtedness to 55% of the votes cast on a community college district general obligation bond; and

WHEREAS, concurrent with the passage of Proposition 39, Chapter 1.5, Part 10, Division 1, Title 1 (commencing with Section 15264) of the Education Code (the "Act") became operative and established requirements associated with the implementation of Proposition 39; and

WHEREAS, the Board desires to make certain findings herein to be applicable to this election order and to establish certain performance audits, standards of financial accountability and citizen oversight which are contained in Proposition 39 and the Act; and

WHEREAS, the Board determines that the restrictions in Proposition 39, as interpreted by the Attorney General of the State of California, which prohibit any bond money to be used for administrator salaries and expenses be strictly enforced by a Citizens’ Oversight Committee; and

WHEREAS, the Board determines that the restrictions in Proposition 39 which prohibit any bond money to be used for administrator salaries and expenses be strictly enforced by a Citizens’ Oversight Committee; and

WHEREAS, Section 9400 *et seq.* of the Elections Code of the State of California (the “Elections Code”) requires that a tax rate statement be contained in all official materials, including any ballot pamphlet prepared, sponsored or distributed by Improvement District No. 3, relating to the election; and

WHEREAS, the Board now desires to authorize the filing of a ballot argument in favor of the proposition to be submitted to the voters at the election; and
