The City of Sanger is seeking new downtown facade designs for 7th Street buildings.

WHO CAN PARTICIPATE:

Any current COS Architecture Student

DESIGN GOALS:

1. Reinforce the character of Sanger as The Nations Christmas Tree City.
2. Emphasize practicality and cost efficiency.
3. Create welcoming, eye catching facades that send a positive message to potential customers and draws them into a business to spend money.
4. Preserve historic architectural styles and features.
5. Discover what is “unique” about the city, businesses, and buildings.
6. Emphasize or enhance what is “unique”.

DESIGN CONSIDERATIONS:

1. Facade Elements
2. Decorative Details
3. Materials and Colors
4. Windows and Doors
5. Awnings and Canopies
6. Signs
7. Lighting
8. Maintenance
9. Landscaping and Planting
10. Vacant or under developed sites
