YOU CAN HELP

Kaweah Delta Hospice seeks more volunteers

**Organization:** Kaweah Delta Hospice

**Volunteer opportunity:** Volunteers are needed to provide relief, comfort and hope to end-of-life patients. Volunteers visit patients, provide pet-assisted social therapy, foot care, music therapy, transportation, office help, assist with special events and provide grief support for children.

Volunteers do everything from play a harmonica to bring pets along for pet therapy, said Debbie Beringer, supportive care supervisor for Kaweah Delta Hospice.

"Sometimes it's just a matter of being there for someone who's mourning a loved one," she said.

Volunteers are provided with a two-day orientation, in-service training and ongoing support. Hours are flexible and are based on the volunteer's abilities and the patient's needs.

**Contact:** To volunteer or learn more about Kaweah Delta Hospice, call Debbie Beringer at 733-0642.
