Accreditation RTF Standard I subgroup minutes

May 17, 2013: 1:00-3:30

Attendance: Cindy DeLain, Ryan Barry-Souza, Stephanie Collier, John Boragno

1. The committee reviewed the recommendations generated in response to its presentation on May 15, 2013 at the Accreditation Summit. Based on this review, the committee found the following themes:
   - Critical to keep open lines of communication as a continued priority. Perhaps through Summit type venues.
   - Ensure continuous assessment of the developed processes.
   - Market district goals.
   - Ensure the resource allocation process is easily understood.

   These recommendations will be accomplished through the implementation phase of the Accreditation Standards as well as during the assessment cycle of integrated planning.

2. The proposal for marketing materials was revised and therefore simplified to:
   a. Cliff notes-cost, need to check with David/Kevin.
   b. Vinyl banner in quad area displaying the banner, check with Kevin.
   c. Wallpaper/screensaver of model. No cost.
   d. Posters displayed in prominent public areas. Check with David/Kevin.

3. The document for the Show Cause report was reviewed and revised and will be forwarded to Amy Duelle and Jennifer LaSerna.

This concludes the final meeting of the semester for subgroup I.
