Housing

Q: Does your college have housing?
A: College of the Sequoias does not provide dormitories for students. As a courtesy the Student Activities and Affairs’ office has a board with listings or you may contact the ASB office at (559) 730-7336 for more information. Students can also check local resources, such as newspapers or online agencies.

Q: I have a room for rent, who can help me with posting information?
A: Materials may be posted on bulletin boards that say “Approved for Posting” across the top. Clearance must be obtained from the Student Activities’ Office located in the Student Center, Giant Forest Building.
