

Denaé Moreno

Student Trustee

Hi my name is Denaé Moreno. I was born and raised in Visalia, California by my parents Dennis and Debbie Moreno. I have four brothers and three sisters. In 2008, I graduated from Mt. Whitney High School in Visalia. I am currently in my second year at College of the Sequoias taking General Education classes. I hope to graduate from COS and transfer to California State University Fresno.

I have enjoyed my first year here at COS; I have been very involved with the Associated Student Body (ASB). I served as the Commissioner of Publicity and Arts and on the Scholarship, Safety, and Facilities Committees. During the 2008 election I served on the Measure I Committee to encourage community involvement and awareness of expanding needs of COS and its programs. After the passing of Measure I, I was appointed to serve on the Measure I Oversight Committee for the year 2009-2010. I am looking forward to serving as the Student Trustee to represent the entire student body at COS.
