Welcome to the UC Transfer Admission Planner

You may begin using the UC Transfer Admission Planner (UC TAP) at any time in preparation for your transfer to one of the University of California campuses. As you plan and complete your college coursework, update the planner with the most current information - and be sure to keep your contact information up to date!

If you are interested in a Transfer Admissions Guarantee (TAG), you can submit your TAG during an open filing period, as noted on this page. Please review the "APPLY FOR TAG" section in the menu above for TAG information and specific criteria for each of the six campuses that offer a TAG. If you have questions or are unsure about your ability to meet TAG or transfer admission criteria, consult with your community college counselor.

Completing your information on this site consists of three main areas: My Information, My Coursework and My Exams. These areas can be accessed using the navigation above. At any time you may click "Review" (also in the navigation above) to see your completed information.
