

This Website Does Not Provide Medical Advice

The content of the College of the Sequoias Student Health Center site, such as graphics, images, text and other materials (“Content”) are for informational purposes only. The content is not a substitute for professional medical treatment, advice, or diagnosis. Always seek the expertise and advice of your physician or qualified health care provider with any questions you may have regarding a medical condition. Never ignore professional medical advice or delay in seeking treatment because of something you have read on the COS Health Center site.

The College of the Sequoias Student Health Center site does not endorse or recommend any specific test, physicians, procedures, products, opinions, or any other information that may be viewed on this site. Reliance on information appearing on the College of the Sequoias Student Health Center site, web links to other information, or other visitors to the site is solely at your own discretion.

The site may contain health or medical-related materials that are sexually graphic. If you find these materials disturbing or offensive, you may wish to reconsider using our site.
