**Description of Position**

Under the direction of the Director, Learning Resource Center, the Senior Instructional Specialist/Lead Coordinator for the Math Lab will assist in overseeing the daily operations of the Math Lab, supervise, train, and assess tutors; tutor incoming students according to Tutorial Center/Math Lab policy, pedagogy and best practices and provide marketing and outreach for the Math Lab. The individual hired for this position will be responsible for coordinating the Math Labs at each of the District’s campuses.

**Minimum Qualifications**

**Education and Experience:**

Any combination equivalent to:

- Bachelor's degree in math or a related field and
- two years of experience working in a tutorial or teaching setting

**Representative Duties**

- Tutor incoming students; provide appropriate and effective feedback to students about their work.
- Establish data collection and analysis systems to ensure accurate data collection; compile, prepare and tabulate statistics for a variety of reports related to Math Lab services and activities.
- Assist in guiding faculty, staff, and tutors in best practices for Math Lab services.
- Work with faculty and programs across the disciplines and campuses to better serve students math needs.
- Develop, create and produce internal communication such as newsletters, pamphlets and brochures for distributions to campus community.
- Plan and coordinate marketing and outreach services for the Math Lab throughout the District.
- Plan, monitor and maintain budget; order; perform clerical duties, including maintaining inventory and supply records, and collecting timesheets from student tutors for Payroll processing.
- Attend staff meetings and participate in other districts committees as requested.
- Attend professional development opportunities as available.
- Utilize the District's integrated software in performing the required duties of the position.
- Perform related duties as assigned.
