

Fall 2024 - College of the Sequoias

Final Exam Schedule

Step 1: Determine your final exam group based on the days your class meets each week. For classes that have a lab component, use only the days your lecture class meets each week to determine your final exam group.

Step 2: Use the hour that your class normally starts to determine your final exam time. For example, if your class regularly starts any time during the 9 o'clock hour, then your final exam will start at 9:10 am.

GROUP D: Final Exam will be on last scheduled meeting day of the semester BEFORE Finals Week.
