

ACCESS & ABILITY CENTER (AAC)

Are you struggling in your classes? Would support services help improve your academic performance or grades?

AAC Can Help!

The Access & Ability Center supports the academic success of COS students through providing academic accommodations for a variety of conditions that may create barriers to education.

Services We Provide

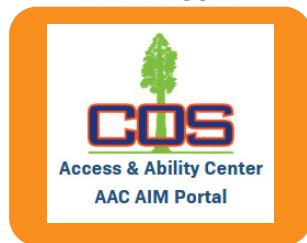

- ➔ Extra time to complete quizzes and exams
- ➔ Audiobooks
- ➔ Out-of-class testing in a distraction-reduced setting
- ➔ Ability to obtain classroom notes and/or record lectures
- ➔ Software that allows you to speak to the computer
- ➔ Enlarged print
- ➔ Priority registration
- ➔ AND MUCH MORE...
