## **College of the Sequoias Vision and Mission Statement**

---

### **Vision**

The entire College of the Sequoias community works in an environment of mutual respect to realize the following vision:

COS students will achieve their full educational potential regardless of race, ethnicity, age, gender, sexual orientation, immigration status, ability, culture, religion, and learning modality.

The COS environment will create a positive attitude among COS employees that carries over to the students and into the community.

COS will remain a community leader whose high standards positively impact the lives of the population it serves.

COS will align educational programs for higher education transfer, as well as to meet the constantly emerging economic and workforce development needs of the community through partnerships with business, government, industry and labor.

### **Mission**

Sequoias Community College District, as a designated Hispanic-Serving Institution, provides excellent, accessible, and equity-minded higher education to our diverse student population, regardless of background. We believe in students achieving their full educational potential and support teaching, student learning, and success in attaining a variety of degrees and certificates, from basic skills to transfer education and workforce development (Approved by the Board of Trustees on March 10, 2025).

## Letter from the Superintendent/President

---

The College of the Sequoias Community College District's integrated planning model is a continuous cycle of evaluation, development of goals and objectives, resource allocation, plan implementation, reevaluation, and improvement. Through this annual cycle, the District assesses institutional effectiveness and improves its services to our students.

The COS 2025-2028 Strategic Plan is the result of our District-wide collaboration to create a plan that is focused on progress toward Institutional Goals as outlined in the COS Educational Master Plan 2025-2035. Our entire District including faculty, staff, students, and administrators has been heavily engaged in dialogue throughout the process. Following an extensive review of data provided in our Master Plan and previous Strategic Plans, an initial draft of Strategic Plan Objectives was introduced in fall of 2024. Task forces organized by the specific goal areas then worked together with the assistance of the Institutional Planning and Effectiveness Committee to produce this final draft.

The District's 10-year Master Plan consists of four broad goal areas—Growth, Success, Respond, and Improve. Previous Strategic Plans from 2015-18, 2018-21 and 2021-25 have helped the District make significant progress in these goal areas as reported out annually in the Annual Report on the Master Plan.

This Strategic Plan has a total of 10 District Objectives and 48 District Actions that support those Objectives. Ten of these Actions are specifically designed to assess progress toward each District Objective. As with previous plans, we are confident the 2025-28 Strategic Plan will push our organization to new heights in supporting our students, our employees, and ultimately, the region we serve!

Thank you to all parties for their hard work, commitment and dedication to our integrated planning process.

Respectfully,

Brent Calvin, Ed.D.  
Superintendent/President  
College of the Sequoias

## Introduction

---

The 2025-2028 Strategic Plan serves as the District’s first three-year plan in support of the 2025-2035 College of the Sequoias Master Plan.

The Strategic Plan consists of the following components:

- **District Goals** are broad statements, developed as part of the *College of the Sequoias Master Plan 2025 – 2035*, that articulate how the District intends to address current and anticipated challenges.
- **District Objectives** describe more specifically the Actions that will be undertaken to achieve the District Goals.
- **Assessment of District Objectives** describes how effective the Actions were in moving the District toward achievement of the District Objectives.
- **Actions** describe in step-by-step sequence how the District Objectives will be accomplished. Each Action includes these components:
  1. **Responsible party** identifies the group or office assigned with the responsibility to launch, oversee, and complete the Actions. The responsible group or office may complete the Actions or may collaborate with others to complete the Actions. The assignment of a responsible group or office is essential for accountability.
  2. **Target completion date** conveys the timeline for completion. As such, the target completion date also conveys the District’s priority for effort to be dedicated to the District Objective.
- **Progress** is a brief statement describing the results of the Actions. The information in this column is used to prepare the *College of the Sequoias Annual Report on the Master Plan*.
- **Implications for Next Year’s Action Plans** describe adjustments that may be needed if the progress described in the previous column requires changes to subsequent Actions. The information in this column is included in the *College of the Sequoias Annual Report on the Master Plan*.

## **Summary: Institutional Goals 2025-2035 and Institutional Objectives 2025-2028**

---

**District Goal #1. College of the Sequoias will increase student enrollment relative to population growth and labor market/workforce demands, with an intentional emphasis on underserved populations within our community.**

District Objective 1.1: Working closely with local educational and industry partners, the District will increase enrollment of underserved populations in programs with pathways related to the fastest-growing employment sectors by 1% annually from 2025-2028..

**District Goal #2. College of the Sequoias will improve student success (e.g. transfer, learning, and achievement outcomes) and close the achievement gap for all students represented within our diverse student population.**

District Objective 2.1: Address equity gaps and systemic barriers to increase the number of students who earn an associate degree or certificate (CTE and non-CTE) by 5% from 2025-2028.

District Objective 2.2: With an intentional focus on disproportionately impacted groups, increase the number of students who are transfer-ready by 15% and who transfer to four-year institutions by 10% from 2025-2028.

District Objective 2.3: Increase the percentage of students who complete both transfer-level Quantitative Reasoning and English by 10% within one year of their first attempt, with a particular focus on disproportionately impacted students, from 2025-2028.

District Objective 2.4: With a focus on equity and overcoming systemic barriers, increase the percentage of CTE students who are employment- and career-ready by 5% from 2025-2028, with a focus on boosting measurable job placement in closely related fields that provide a living wage.

**District Goal #3. College of the Sequoias will provide equitable academic offerings and student support services in response to the diverse needs of our students.**

District Objective 3.1: Strengthen academic pathways by aligning course offerings with student needs through strategic adjustments in scheduling, location, and modality, ensuring access to appropriate academic offerings that support students' educational goals and timely completion.

District Objective 3.2: Promote access to Student Support Services (Student Success Program, Tutorial, Giant Threads, Giant Marketplace, etc.) such that 60% of student respondents agree their access to student service programs are being met.

**District Goal #4. College of the Sequoias continuously improve policies, practices, and systems to ensure a high quality and affordable education for the communities we serve.**

District Objective 4.1: Streamline data collection, governance, and analysis practices and ensure accessibility of accurate, relevant data to enable informed, collaborative, and strategic decision-making.

District Objective 4.2: Enhance communication strategies to ensure that legislation, regulations, trends, and decision-making processes are shared inclusively across the institution to foster informed and transparent decision-making.

District Objective 4.3: Maintain and improve an accessible professional development program appropriate for all employees.

**District Goal #1. College of the Sequoias will increase student enrollment relative to population growth and labor market/workforce demands, with an intentional emphasis on underserved populations within our community.**

**District Objective 1.1:** Working closely with local educational and industry partners, the District will increase enrollment of underserved populations in programs with pathways related to the fastest-growing employment sectors by 1% annually from 2025-2028.

**Rationale for District Objective 1.1:** To meet the labor workforce demands of the local community and align with Vision 2030, the District is expected to increase enrollment of underserved populations, specifically in programs related to the fastest growing employment opportunities.

**Assessment of District Objective 1.1:** Review and compare annual FTES and headcount from 2024/25 to 2027/28, disaggregated by student groups (e.g., race, ethnicity, and gender, as applicable).

**District Objective 2.1:** Address equity gaps and systemic barriers to increase the number of students who earn an associate degree or certificate (CTE and non-CTE) by 5% from 2025-2028.

**Rationale for District Objective 2.1:** From 2021-2024, a 3% increase of associate degrees and certificates were achieved. Increasing the target to 5% aligns with ongoing initiatives and concentrated efforts, including Common Course Numbering, Guided Pathways, AB1705, embedded tutoring, credit for prior learning, and Cal-GETC changes, all of which are expected to drive progress toward this objective. Enhanced access to and utilization of student support services will further promote overall student success

**Assessment of District Objective 2.1:** Review and compare the number of students earning an associate degree or certificate (CTE and non-CTE) from 2024/25 to 2027/28, disaggregated by student groups (e.g., race, ethnicity, gender, first-generation status, etc., as applicable).

**District Goal #2.** College of the Sequoias will improve student success (e.g. transfer, learning, and achievement outcomes) and close the achievement gap for all students represented within our diverse student population.

**District Objective 2.2:** With an intentional focus on disproportionately impacted groups, increase the number of students who are transfer-ready by 15% and who transfer to four-year institutions by 10% from 2025-2028.

**Rationale for District Objective 2.2:** Vision 2030 calls for a transfer ready increase of 20%, and while progress was previously achieved (30% increase after AB705), there remains room for improvement, particularly with disproportionately impacted groups, prompting inclusion of the targeted language in this objective. We believe the dramatic increase seen will flatten out, but will stay strong with new AB1705 initiatives, CVC online course access, common course numbers and the potential impact of the new university center for our students.

**Assessment of District Objective 2.2:** Review and compare the number of students who are transfer-ready as well as the number of students who transfer to four-year institutions from 2024/25 to 2027/28, disaggregated by student groups (e.g., race, ethnicity, gender, first-generation status, etc., as applicable).

Since student needs vary and may prevent students from taking these courses in their first year, the emphasis should be on student success regardless of when they enroll in these courses, rather than prioritizing speed of enrollment. With the new AB1705 revisions and enhanced student support, we are optimistic about achieving a significant increase in success rates</p> <p><b>Assessment of District Objective 2.3:</b> Review and compare the percentage of students who complete transfer-level English and transfer-level QR requirements within one year of their first attempt, from 2024/25 to 2027/28, disaggregated by student groups (e.g., race, ethnicity, gender, first-generation status, etc., as applicable).</p> |   |  |                 |   |

**District Goal #2.** College of the Sequoias will improve student success (e.g. transfer, learning, and achievement outcomes) and close the achievement gap for all students represented within our diverse student population.

**District Objective 2.4:** With a focus on equity and overcoming systemic barriers, increase the percentage of CTE students who are employment- and career-ready by 5% from 2025-2028, with a focus on boosting measurable job placement in closely related fields that provide a living wage.

**Rationale for District Objective 2.4:** Individual disciplines will be able to assess whether students are employment- or career-ready using meaningful data that is already available or can be collected. It also incorporates opportunities to consider student goals and feedback, allowing "career readiness" to be defined in alignment with their unique needs and aspirations.

**Assessment of District Objective 2.4:** Review and compare the employment and career-readiness of Career Technical Education students from 2024/25 to 2027/28, disaggregated by student groups (e.g., race, ethnicity, gender, first-generation status, etc., as applicable).

**District Goal #3. College of the Sequoias will provide equitable academic offerings and student support services in response to the diverse needs of our students.**

**District Objective 3.1:** Strengthen academic pathways by aligning course offerings with student needs through strategic adjustments in scheduling, location, and modality, ensuring access to appropriate academic offerings that support students' educational goals and timely completion.

**Rationale for District Objective 3.1:** COS must provide access to appropriate academic offerings that support student's educational goals. COS should establish clear and accessible academic pathways for students that remove institutional barriers and guarantee students are learning through high-impact teaching and pedagogical practice

**Assessment of District Objective 3.1:** Review and compare student feedback on the availability and accessibility of course offerings from 2024/25 to 2027/28, disaggregated by student groups (e.g., race, ethnicity, gender, first-generation status, etc., as applicable).

**District Objective 3.2:** Promote access to Student Support Services (Student Success Program, Tutorial, Giant Threads, Giant Marketplace, etc.) such that 60% of student respondents agree their access to student service programs are being met.

**Rationale for District Objective 3.2:** COS students face a multitude of educational barriers with the most challenging being balancing work, school, family obligations, financial aid and medical/mental health issues. COS must provide access to effective student support services that increase a sense of belonging and honor our students' intersecting identities and humanize each student's lived experience.

**Assessment of District Objective 3.2:** Review and compare student feedback regarding the availability and accessibility of support service offerings from 2024/25 to 2027/28, disaggregated by student groups (e.g., race, ethnicity, gender, first-generation status, etc., as applicable).

**District Goal #4. College of the Sequoias continuously improve policies, practices, and systems to ensure a high quality and affordable education for the communities we serve.**

**District Objective 4.1:** Streamline data collection, governance, and analysis practices and ensure accessibility of accurate, relevant data to enable informed, collaborative, and strategic decision-making.

**Rationale for District Objective 4.1:** Strengthening data governance and security and ensuring the accessibility of accurate, relevant data enables COS to make informed, strategic decisions. This approach will enhance student success, operational efficiency, and institutional planning by aligning resources with key metrics and fostering a culture of continuous improvement across all levels.

**Assessment of District Objective 4.1:** Review type, volume, and quality of efforts to streamline data collection, governance, and analysis practices across the District from 2024/25 to 2027/28.

**District Goal #4. College of the Sequoias continuously improve policies, practices, and systems to ensure a high quality and affordable education for the communities we serve.**

**District Objective 4.2:** Enhance communication strategies to ensure that legislation, regulations, trends, and decision-making processes are shared inclusively across the institution to foster informed and transparent decision-making.

**Rationale for District Objective 4.2:** Proactive environmental scanning and staff training enable COS to adapt swiftly to external legislative, economic, and technological changes. By integrating these factors into planning, the institution remains resilient, forward-looking, and responsive to external challenges. Transparency and clear communication build trust, accountability, and collaboration across the institution, ensuring that stakeholders understand decisions and their rationale, and can adapt swiftly to change with a shared sense of purpose and reduced misunderstanding. This openness is crucial for maintaining high educational standards, institutional credibility, and long-term success in a dynamic environment.

**Assessment of District Objective 4.2:** Review type, volume, and quality of communication practices intended to support sharing legislation, regulations, trends, as well as decision-making processes, inclusively across the District from 2024/25 to 2027/28.

# Strategic Plan Task Force Training

September 20, 2024

COLLEGE OF THE SEQUOIAS

Yes, I'm interested in serving on the 2025-2028 Strategic Plan Task Force!

4. I would like to represent:

☐ Faculty

☐ Classified

☐ Administration

☐ Student

☐ Other \_\_\_\_\_

5. Please prioritize your preference for serving each subgroup by ordering your choice from the first being your most interest to that being your least interest.

**DISTRICT GOAL I:** College of the Sequoias will increase student enrollment relative to population growth and labor market/workforce demands, with an intentional emphasis on underserved populations within our community.

**DISTRICT GOAL II:** College of the Sequoias will improve student success (e.g., transfer, learning, and achievement outcomes) and close the achievement gap for all students represented within our diverse student population.

**DISTRICT GOAL III:** College of the Sequoias will provide equitable academic offerings and student support services in response to the diverse needs of our students.

**DISTRICT GOAL IV:** College of the Sequoias will continuously improve policies, practices, and systems to ensure a high quality and affordable education to the community we serve.

6. Anything else you would like to tell us?

COLLEGE OF THE SEQUOIAS

**COS community:**

As the 2025-2035 Master Plan approaches its final stage, the time has come to focus in on the first three years of that plan. We are talking about the 2025-2028 Strategic Plan.

We need volunteers to empower the four task forces for the College of the Sequoias 2025-2028 Strategic Plan. As you may be aware, the writing of that strategic plan will be a yearlong process and the initial ideas and drafting will come from you, those who volunteer to join one of the four goal task forces:

1. Goal Area 1: Growth with an emphasis on underserved populations
2. Goal Area 2: Improve success and close achievement gaps
3. Goal Area 3: Equitable academic offerings and support services
4. Goal Area 4: Continuous improvement

If you are willing to volunteer, please take a couple minutes to indicate your preference in this form by Friday, May 10, 2024: [Yes, I'm Interested!](#)

Each task force will complete its work during the fall 2024 semester. Training for task force members will be provided during the months of August and September. Each task force will be responsible for gathering feedback (which will include feedback from a summit held fall 2024) and will use that feedback to review progress from the previous strategic plan, then develop/revise/renew objectives and actions for the next strategic plan.

We appreciate and look forward to your participation in this important planning process for our District. This is your chance to provide input from the very beginning. Please volunteer to join a task force today!

Sincerely,  
The Institutional Planning and Effectiveness Committee

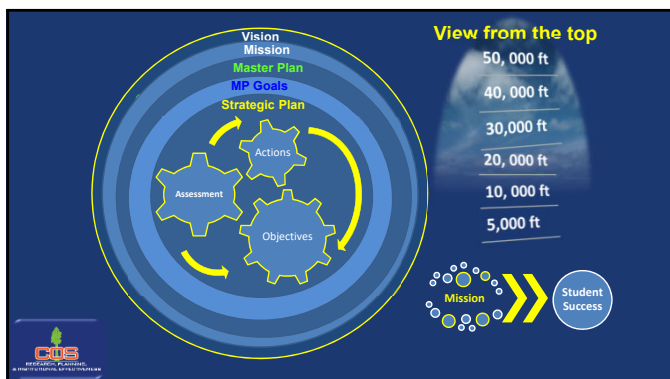

The next Strategic Plan needs you!

## Vision

The entire College of the Sequoias community works in an environment of mutual respect to realize the following vision:

COS students will achieve their full educational potential regardless of race, ethnicity, age, gender, sexual orientation, immigration status, ability, culture, religion, and learning modality.

The COS environment will create a positive attitude among COS employees that carries over to the students and into the community.

COS will remain a community leader whose high standards positively impact the lives of the population it serves.

COS will align educational programs for higher education transfer, as well as to meet the constantly emerging economic and workforce development needs of the community through partnerships with business, government, industry and labor.

# COS 2.0

COLLEGE OF THE SEQUOIAS

### Mission Statement

Sequoias Community College District provides excellent higher education in a spirit of equity for our diverse student population. We believe in students achieving their full educational potential and support student success in attaining a variety of degrees and certificates, from basic skills to transfer education and workforce development.

Reaffirmed by the Board of Trustees on March 8, 2021 Mission Statement

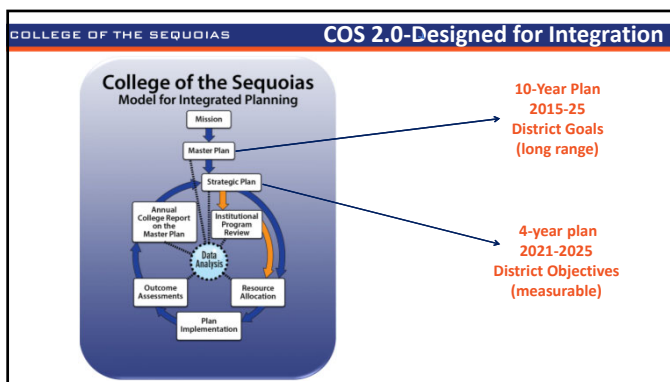

COLLEGE OF THE SEQUOIAS

### Equity Statement

Sequoias Community College District commits to addressing inequity, particularly achievement and opportunity gaps, including racial, ethnic, and other equity gaps, experienced by student groups and the District Community. The District further commits to increasing the representation of diverse identities across the institution. The District will use an intentional, equity-minded approach informed by the centering of educational justice, diversity, and inclusion. The District will develop systems, policies, and practices that abolish unfair institutional barriers, produce equitable outcomes, and ensure access to rigorous, culturally responsive education and success for all its students and District members.

Equity Statement approved by District Governance Senate on October 25, 2022.

## S.M.A.R.T. Objectives

**District Objective #2.2 Increase the number of students who are transfer-ready by 15% and students who transfer to four-year institutions by 10% from 2021-2025.**

|                   |  |   |
|-------------------|--|---|
| <b>Specific</b>   | Who is the target population? What will be accomplished?   | Increase the number of COS students who are "transfer-ready" and those who actually transfer to four-year institutions. |
| <b>Measurable</b> | Is the objective quantifiable? Can it be measured? How much change is expected?                        | Yes. 15% more students who are "transfer-ready" 10% more students who actually transfer                                 |
| <b>Achievable</b> | Can the objective be accomplished in the proposed time frame with the available resources and support? | Yes. A four-year period is reasonable for making measurable progress (with available resources and support)             |
| <b>Relevant</b>   | Determine the reason behind the established goal. Does the objective relate to the goal?               | Yes. The objective directly supports the district's overall goal of improving transfer rates and academic success.      |
| <b>Time-Bound</b> | Does the objective propose a timeline when the objective will be met?                                  | Yes. The objective includes a clear timeline. Provides a four-year timeframe for achieving the specified targets.       |

COLLEGE OF THE SEQUOIAS Chapter 3: Draft District Goals for 2025-2035

## DRAFT DISTRICT GOALS

Based on steps identified in *Data-Informed Goal Development for the College of the Sequoias Master Plan 2025-2035*, the four District Goals were initially developed by a six-member brainstorming group, represented by the Research Office, IPEC, and Master Plan Taskforce, in January 2024. Furthermore, the goals were refined with input from the Master Plan Taskforce and feedback gathered from COS community members via an open forum in February 2024. Although the goals are numbered, the numbers do not convey a priority status; **each goal is of equal priority.**

COLLEGE OF THE SEQUOIAS Chapter 3: Draft District Goals for 2025-2035

## GOAL I Growth with an emphasis on underserved populations

I. College of the Sequoias will increase student enrollment relative to population growth and labor market/workforce demands, with an intentional emphasis on underserved populations within our community.

To promote equitable access to higher education that meets the community needs, COS must increase student enrollment relative to population growth and labor market/workforce demands and make an intentional effort to increase student enrollment among underserved population within our community.

COLLEGE OF THE SEQUOIAS Chapter 3: Draft District Goals for 2025-2035

## GOAL II Improve success and close achievement gaps

II. College of the Sequoias will improve student success (e.g. transfer, learning, and achievement outcomes) and close the achievement gap for all students represented within our diverse student population.

To ensure students reach their full educational potential, COS must focus on improving student success across our diverse student population.

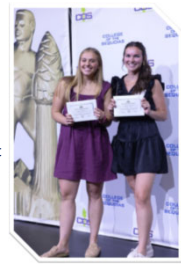

COLLEGE OF THE SEQUOIAS Chapter 3: Draft District Goals for 2025-2035

## GOAL III Equitable academic offerings and support services

III. College of the Sequoias will provide equitable academic offerings and student support services in response to the diverse needs of our students.

To ensure students have equitable access to a rigorous, culturally-responsive education and the supports needed to reach their full educational potential, COS must align academic offerings and student support services with the needs of our diverse student population.

COLLEGE OF THE SEQUOIAS Chapter 3: Draft District Goals for 2025-2035

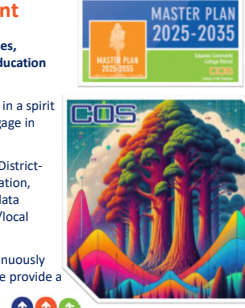

## GOAL IV Continuous improvement

IV. College of the Sequoias will continuously improve policies, practices, and systems to ensure a high quality and affordable education for the community we serve.

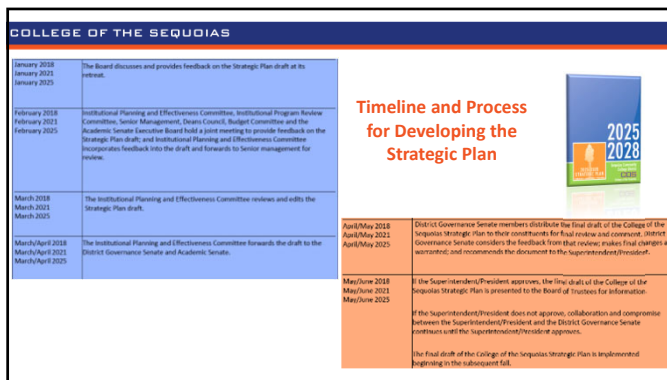

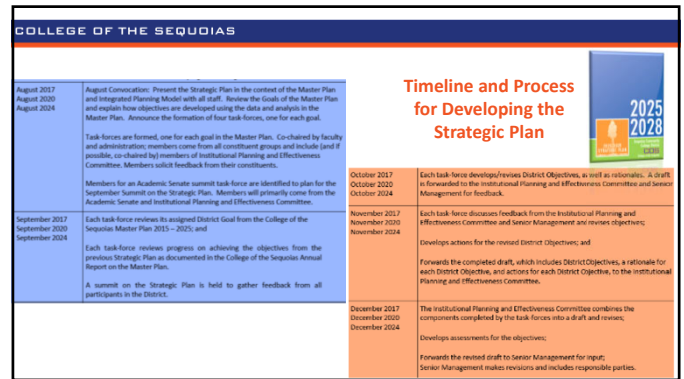

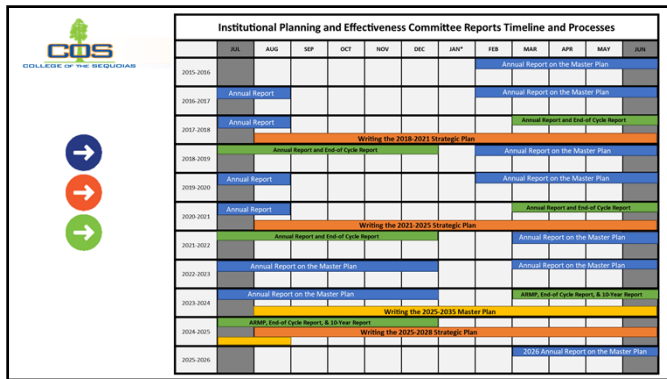

To ensure COS continues to provide an excellent higher education in a spirit of equity for our diverse student population, the District must engage in continuous improvement efforts.

The continuous improvement efforts discussed at the 2025-2035 District-wide Master Plan Summit included navigating the impact of legislation, engaging in professional development opportunities, identifying data needed to support the District's mission, and navigating the state/local economy.

This goal provides evidence for the District's commitment to continuously improve the District's policies, practices, and systems to ensure we provide a high quality and affordable education.

## Vision

The entire College of the Sequoias community works in an environment of mutual respect to realize the following vision:

COS students will achieve their full educational potential regardless of race, ethnicity, age, gender, sexual orientation, immigration status, ability, culture, religion, and learning modality.

The COS environment will create a positive attitude among COS employees that carries over to the students and into the community.

COS will remain a community leader whose high standards positively impact the lives of the population it serves.

COS will align educational programs for higher education transfer, as well as to meet the constantly emerging economic and workforce development needs of the community through partnerships with business, government, industry and labor.

## Mission Statement

Sequoias Community College District provides excellent higher education in a spirit of equity for our diverse student population. We believe in students achieving their full educational potential and support student success in attaining a variety of degrees and certificates, from basic skills to transfer education and workforce development.

Reaffirmed by the Board of Trustees on March 8, 2021 Mission Statement

COLLEGE OF THE SEQUOIAS

## Equity Statement

Sequoias Community College District commits to addressing inequity, particularly achievement and opportunity gaps, including racial, ethnic, and other equity gaps, experienced by student groups and the District Community. The District further commits to increasing the representation of diverse identities across the institution. The District will use an intentional, equity-minded approach informed by the centering of educational justice, diversity, and inclusion. The District will develop systems, policies, and practices that abolish unfair institutional barriers, produce equitable outcomes, and ensure access to rigorous, culturally responsive education and success for all its students and District members.

Equity Statement approved by District Governance Senate on October 25, 2022.

**Rationale:** A 3% increase was achieved over the last three years. Increasing the desired result to 5% accounts for current initiatives and focused work around common course numbering, guided pathways, AB1705, embedded tutoring, credit for prior learning, Cal GETC changes, etc. that should all be supportive of this objective.

COLLEGE OF THE SEQUOIAS

**Goal 2**

**Objective 2.2:** With an intentional focus on disproportionately impacted groups, by 2028, increase the number of students who are transfer-ready by 20% and who transfer to four-year institutions by 10%.

**Rationale:** Vision 2030 calls for a transfer ready increase of 20%, so this language aligns COS. Though progress was made on the objective previously (30% increase after AB705); there is room for improvement, particularly with disproportionately impacted groups, which is why that language was added. We believe the dramatic increase seen will flatten out, but stay strong with new AB1705 initiatives, CVC online course access, and the impact of the new university center for our students.

COLLEGE OF THE SEQUOIAS

**Goal 2**

**Objective 2.3**

Increase the percentage of students, by 2028, who complete both transfer-level Quantitative Reasoning and English by 10 percentage points within one year of their first attempt, with a particular focus on disproportionately impacted students.

**Rationale:** This objective now aligns with AB705 and AB1705 language that states "first attempt," rather than "in their first year." The task force members felt this was more reflective of student needs, as there are a variety of reasons that students may not take these courses in their first year, and the data is then skewed. The focus should be on success, whenever they take the classes, rather than how quickly we can get them into the classes. We are optimistic that the new AB1705 revisions and adding student support will result in a strong increase to success.

**Objective 2.4**

With a focus on equity and overcoming systematic barriers, increase the percentage of CTE students, by 2028, who are employment/career ready by 5%, with an emphasis on increasing measurable job attainment in a closely related field with a living wage.

**Rationale:** The current objective is not measurable in an accurate or timely manner. This change allows more freedom for individual disciplines to measure whether students are employment/career ready with meaningful data that we already have or can easily collect. Additionally, it allows opportunity for student goals and feedback to be considered in the determination of what "career ready" looks like for them based on individual needs and objectives.

College of the Sequoias will provide equitable academic offerings and student support services in response to the diverse needs of our students.

**Objective 3.1**

Provide equitable academic offerings (location, time, modality) while ensuring high-quality teaching and learning.

**Rationale:** COS must provide access to appropriate academic offerings that support student's educational goals. COS should establish clear and accessible academic pathways for students that remove institutional barriers and guarantee students are learning through high-impact teaching and pedagogical practices.

**Objective 3.2**

Increase offerings and equitable participation in student support services (i.e., Student Success, tutorial, Giant Threads, Giant Marketplace, etc.).

**Rationale:** COS students face a multitude of educational barriers with the most challenging being balancing work, school, family obligations, financial aid and medical/mental health issues. COS must provide access to effective student support services that increase a sense of belonging and honor our students' intersecting identities and humanize each student's lived experience

**Goal 4**

**DISTRICT GOAL IV**  
 College of the Sequoias will continuously improve policies, practices, and systems to ensure a high quality and affordable education for the community we serve.

COLLEGE OF THE SEQUOIAS

**Goal 4**

**Objective 4.1**  
 Implement and institutionalize a comprehensive data collection, governance and analysis framework to foster a culture of data-driven decision-making.

**Rationale:** Strengthening data governance and ensuring the accessibility of accurate, relevant data enables COS to make informed, strategic decisions. This approach will enhance student success, operational efficiency, and institutional planning by aligning resources with key metrics and fostering a culture of continuous improvement across all levels.

COLLEGE OF THE SEQUOIAS

**Goal 4**

**Objective 4.2**  
 Enhance communication strategies to ensure that decisions, their rationale, and outcomes are shared inclusively across the institution to foster informed and transparent decision-making.

**Rationale:** Transparency in decision-making builds trust, accountability, and collaboration across the institution. Clear communication ensures stakeholders understand decisions and their rationale, fostering a shared sense of purpose and reducing misunderstandings. This openness is crucial for maintaining high educational standards and enhancing institutional credibility.

COLLEGE OF THE SEQUOIAS

**Goal 4**

**Objective 4.3**  
 Maintain a comprehensive and accessible professional development program for all employees.

**Rationale:** A comprehensive professional development program equips employees with relevant skills, supports career advancement, and aligns with district goals. Continuous training fosters a culture of learning, ensuring all staff contribute to student success, leadership growth, and institutional effectiveness while addressing evolving challenges and opportunities.

**Objective 4.4**

A comprehensive professional development program equips employees with relevant skills, supports career advancement, and aligns with district goals. Continuous training fosters a culture of learning, ensuring all staff contribute to student success, leadership growth, and institutional effectiveness while addressing evolving challenges and opportunities.

**Rationale:** Proactive environmental scanning and staff training enable COS to adapt swiftly to external legislative, economic, and technological changes. By integrating these factors into planning, the institution remains resilient, forward-looking, and responsive to external challenges, ensuring long-term success in a dynamic environment.

## Vision & Philosophy

**Vision**

The entire College of the Sequoias community works in an environment of mutual respect to realize the following vision:

COS students will achieve their full educational potential regardless of race, ethnicity, age, gender, sexual orientation, immigration status, ability, culture, religion, and learning modality.

The COS environment will create a positive attitude among COS employees that carries over to the students and into the community.

COS will remain a community leader whose high standards positively impact the lives of the population it serves.

COS will align educational programs for higher education transfer, as well as to meet the constantly emerging economic and workforce development needs of the community through partnerships with business, government, industry and labor.

**Philosophy**

The philosophy of the College of the Sequoias is based upon a belief that all individuals are innately valuable and entitled to develop their full potential at a healthy and vigorous society benefits from an informed appreciation of the culture, racial and socioeconomic variations among its members, that a democracy depends upon a critical, questioning and informed citizenry; and that through its programs the College serves the individual, the community and society.

## Equity Statement

Sequoia Community College District commits to addressing inequity, particularly achievement and opportunity gaps, including racial, ethnic, and other equity gaps, experienced by student groups and the District Community. The District further commits to increasing the representation of diverse identities across the institution. The District will use an intentional, equity-minded approach informed by the centering of educational justice, diversity, and inclusion. The District will develop systems, policies, and practices that abolish unfair institutional barriers, produce equitable outcomes, and ensure access to rigorous, culturally responsive education and success for all its students and District members.

Equity Statement approved by District Governance Senate on October 25, 2022.

## Mission Statement

Sequoia Community College District provides excellent higher education in a spirit of equity for our diverse student population. We believe in students achieving their full educational potential and support student success in attaining a variety of degrees and certificates, from basic skills to transfer education and workforce development.

COLLEGE OF THE SEQUOIAS Chapter 3: Draft District Goals for 2025-2035

### DRAFT DISTRICT GOALS

Based on steps identified in *Data-Informed Goal Development for the College of the Sequoias Master Plan 2025-2035*, the four District Goals were initially developed by a six-member brainstorming group, represented by the Research Office, IPEC, and Master Plan Taskforce, in January 2024. Furthermore, the goals were refined with input from the Master Plan Taskforce and feedback gathered from COS community members via an open forum in February 2024. Although the goals are numbered, the numbers do not convey a priority status; **each goal is of equal priority.**

COLLEGE OF THE SEQUOIAS Chapter 3: Draft District Goals for 2025-2035

### GOAL I Growth with an emphasis on underserved populations

I. College of the Sequoias will increase student enrollment relative to population growth and labor market/workforce demands, with an intentional emphasis on underserved populations within our community.

### GOAL II Improve success and close achievement gaps

II. College of the Sequoias will improve student success (e.g. transfer, learning, and achievement outcomes) and close the achievement gap for all students represented within our diverse student population.

COLLEGE OF THE SEQUOIAS Chapter 3: Draft District Goals for 2025-2035

### GOAL III Equitable academic offerings and support services

III. College of the Sequoias will provide equitable academic offerings and student support services in response to the diverse needs of our students.

### GOAL IV Continuous improvement

IV. College of the Sequoias will continuously improve policies, practices, and systems to ensure a high quality and affordable education for the community we serve.

### DIFFERENCE BETWEEN THE MASTER PLAN & STRATEGIC PLAN

**MASTER PLAN GOALS**  
Based on the Mission Statement  
10 years

**STRATEGIC PLAN OBJECTIVES & ACTIONS**  
Based on the Master Plan  
3-4 years

**Goals** are broad statements that articulate how the District intends to address current and anticipated challenges identified in the Master Plan.

**Objectives** are short-term and describe more specifically the Actions that will be undertaken to achieve the District Goals.

**Actions** describe in step-by-step sequence how the District Objectives will be accomplished.

COLLEGE OF THE SEQUOIAS Master Plan Goals 2015-2025

**Growth**

**District Goal #1:** College of the Sequoias will increase **student enrollment** relative to population growth and educational and workforce development needs.

**Success**

**District Goal #2:** College of the Sequoias will improve the rate at which its **students complete** degrees, certificates, and transfer objectives.

**Equity**

**District Goal #3:** College of the Sequoias will strategically tailor and implement academic programs and student services that match the **unique needs** of its **student population** and the demands of ongoing changes in workforce development.

**Sustainability**

**District Goal #4:** College of the Sequoias Board of Trustees, administration, faculty, and staff will engage in best practices and staff development to **sustain effective operational systems** for institutional assessment and continuous improvement.

**District Goal: A District Goal from the Master Plan will be listed here.**

**District Objective 1.1:**  
The specific strategies to be implemented to work toward achievement of the District Goals. District Objectives are measurable, specific, and attainable.

**Rationale for District Objective 1.1:**  
Assessment of District Objective 1.1:  
Identify the specific way that this District Objective will be assessed.

| Action for District Objective 1.1  | Responsible Party   | Target Completion Date  | Progress  | Implications for Next Year's Actions  |
|--|---|---|---|---|
| 1.1.1. The information in this column identifies the specific steps to be taken to fulfill the District Objective. | The information in this column identifies the group or office responsible to launch and oversee completion of the Action. | The information in this column sets the target date for completing this Action. | The information in this column will be completed as part of the development of the Annual College Report on the Master Plan and is a brief statement describing the status of the Action. | This column is completed during the development of the Annual College Report on the Master Plan when the outcome described in the previous column requires an adjustment to subsequent Actions. |

## S.M.A.R.T. Objectives

**District Objective #2.2 Increase the number of students who are transfer-ready by 15% and students who transfer to four-year institutions by 10% from 2021-2025.**

|                   |  |   |
|-------------------|--|---|
| <b>Specific</b>   | Who is the target population? What will be accomplished?   | Increase the number of COS students who are "transfer-ready" and those who actually transfer to four-year institutions. |
| <b>Measurable</b> | Is the objective quantifiable? Can it be measured? How much change is expected?                        | Yes. 15% more students who are "transfer-ready" 10% more students who actually transfer                                 |
| <b>Achievable</b> | Can the objective be accomplished in the proposed time frame with the available resources and support? | Yes. A four-year period is reasonable for making measurable progress (with available resources and support)             |
| <b>Relevant</b>   | Determine the reason behind the established goal. Does the objective relate to the goal?               | Yes. The objective directly supports the district's overall goal of improving transfer rates and academic success.      |
| <b>Time-Bound</b> | Does the objective propose a timeline when the objective will be met?                                  | Yes. The objective includes a clear timeline. Provides a four-year timeframe for achieving the specified targets.       |
