## Petition for Academic Renewal with Repetition

**I have repeated the following course(s) at another college and request to have my COS GPA adjusted.**

**NOTE TO STUDENT:** If course was repeated at another college, you must request that official transcripts from those colleges be sent directly to College of the Sequoias. GPA will be adjusted on official Transcript of Record upon verification of course equivalency. Repeated courses, in which a grade of "C" or better originally received, will not result in improvement of your grade point average, even if approved by this petition. Submit form to the nearest location listed above or email: [admissions@cos.edu](mailto:admissions@cos.edu).
