

**SERVING OUR VISALIA, TULARE AND HANFORD CAMPUSES**

### Our Mission:

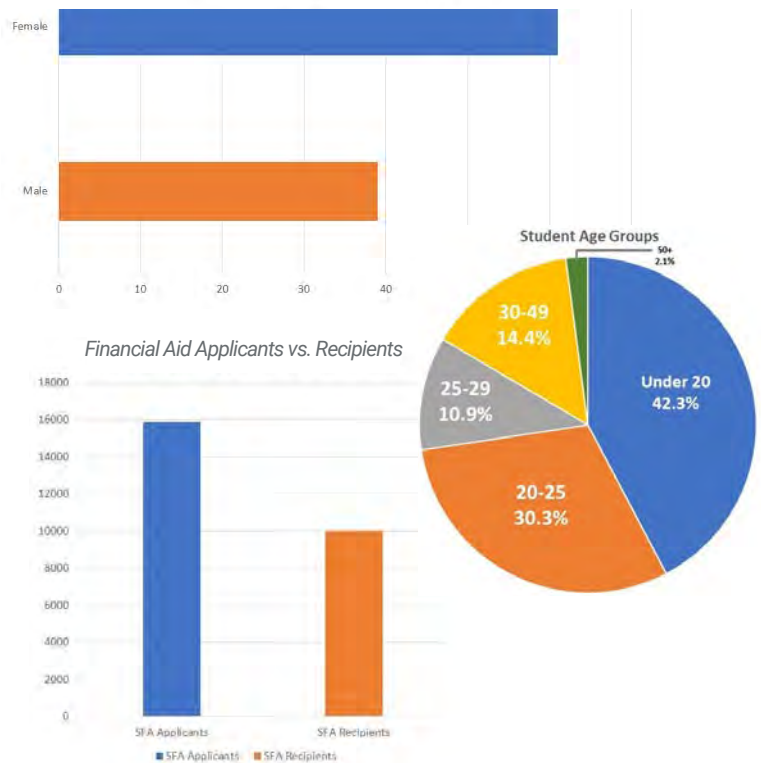

To provide COS students with free professional business clothing that they can use for a job interview, job fair, networking event, or new job. Our goal is to empower students to create their best first impression. COS Giant Threads is a FREE service that serves all three campuses.

### Community Need?

Not every student can afford to buy new work clothes to present well for a job interview. Professional attire for a job interview not only creates a good first impression it also provides a greater level of confidence, which leads to a better overall presentation. Your donation can help provide our students the assistance needed to achieve their career goals.
