	Total	9			Total	9

*WP – Completion of the Writing Proficiency Screening Test (WPST) is a prerequisite for enrollment in a WP Course.

**Clinical course –Location preference is not guaranteed.

NURS 4210 Advanced Clinical Practicum may be taken by RN students to “refresh” clinical skills. This class is optional. Arrangements must be made with the program director to register for this class.

Program Information:

- The CSU, Stanislaus Online RN to BSN program is a full time 12-month program. The program consists of a course of studies delivered in five consecutive 8-week sessions starting fall and spring.
- The program is delivered as an asynchronous distance education modality using Blackboard Learning Management System.
- A cohort model is used, with student progressing through the program as a united group.
- The start of a program cohort is dependent upon adequate enrollment numbers.
- Students are required to take Upper Division general education courses as part of program requirements
- The application period for admission to the nursing program is March 1- May 1 for Fall Semester entry or August 1-October 1 for Spring Semester entry.**

Apply at:

<https://www.csustan.edu/nursing>

Eligibility Requirements:

- A current license as a Registered Nurse in California (A copy of your RN license must be submitted by program orientation; otherwise, admittance to the program will be forfeited.)
- Completed 60 semester units of baccalaureate-level transferable college credit with a minimum cumulative GPA of 2.75
- Completed an AD or Diploma in nursing with a grade of C or better in each course
- The following prerequisites must be completed prior to admission to the program with a C or better in each
 - Oral Communication/Speech
 - Written English Composition
 - Critical Thinking/Logic
 - Statistics (must be at least 3 semester units)
 - Chemistry
 - Microbiology
 - Anatomy
 - Physiology
- Enrollment of coursework is contingent upon documentation of a physical exam and on passing a drug screening and a background check.

Graduation Requirements

- Complete University requirements for the Bachelor of Science degree, (50 units minimum in addition to transferable General Education units.)
- Complete the major of 26 upper-division units.
- Complete 9 upper-division GE units,

Validation of Equivalent Course Work

In addition to the 26 units in the nursing major, the School of Nursing will allow up to 15 upper division units of validated credit for equivalent nursing course work completed in preparation for nursing licensure. Validation of these units will be allowed, by challenge, upon completion of the program (with all grades posted) and successful completion of:

NURS 3100 Professional Nursing RN-BSN

NURS 4000 Health Assessment

NURS 3600 Transcultural Nursing Care

Note: The School of Nursing validates coursework and University Extended Education (UEE) completes the process.

Units	Description
