*Use information from 2019 income tax return. If parents are remarried, you have to include your stepparent's information. If parents are divorced, separated, or never married and don't live together, you only use one parent's information. Use the one who you are either with more than half time or who provides more than half of the support. If it's 50/50 for everything, choose one parent whose info you will provide.
