2019 – 2020 Initiatives:

- Using data from multiple sources, including COS summits and the RP group, identify and categorize areas of study in an initial Meta- Majors draft.
- Support District implementation of AB705 by reviewing ESL curriculum modifications in a timely manner and collecting Math and English co-requisite support data.
- Update District AP/BP's as appropriate to comply with Title 5 requirements on Credit for Prior Learning and Pre/Co-Requisites.
- Create a District curriculum handbook, to include curriculum policy, process, and technology guidelines.
- Standard business: The committee will complete routine business such as taking up curriculum issues and developing curriculum policies as necessary, resolving curricular problems, developing and maintaining the current procedures in the CMS, completing an annual evaluation of the governance survey, etc.
