\*As with all Flexible Calendar activities, FLEX credit cannot be granted to a faculty member during an “...individual faculty member's accountable hours to district...” ([Guidelines for Implementation of the Flexible Calendar Program](#)). This includes duties for which faculty are receiving reassigned time, such as some Committee Chairs and Division Chairs (see, for example, 24.3.1 and 24.3.3 of the [COSTA Master Agreement](#)). Further, faculty with reassigned time already have their FLEX obligation reduced for execution of those duties (8.1.2.2.4).
