

How to Access the Vision Resource Center

Professional development trainings and other learning

opportunities through the Vision Resource Center

Step 1: Go to Vision Resource Center at <https://visionresourcecenter.cccco.edu/>.

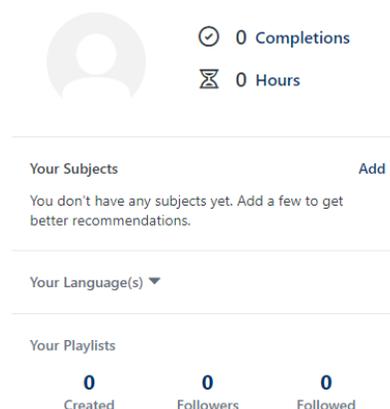

If you previously registered on the California Community Colleges Professional Learning Network at <https://prolearningnetwork.cccco.edu>, use the same username and password. If you did not previously register, click [create a new account](#).

Step 2: Once logged in, hover over Learn and click Learner Home or Browse for in the top menu.

Step 3: Scroll down for videos or search using the top tool bar next to the magnifying glass. View trainings at your convenience.

Step 4: Track your completions, hours, subjects and more.

0 Completions
0 Hours

Your Subjects [Add](#)
You don't have any subjects yet. Add a few to get better recommendations.
