

Outcomes Assessment Committee Initiatives 2021 - 2022

- Provide assessment training, materials and support to faculty, including training focused on equity and assessment.
- Develop and implement a Division feedback process for PLO assessment completion and currency.
- Complete review and revision of ILOs, in collaboration and alignment with GE committee.
- Work with Program Review committee to increase use of outcomes assessment results and investigate alternative Assessment Management/ Program Review systems.
- The committee will complete routine business as described in our bylaws, including the annual review of the governance survey.
