

ADMISSIONS

The District shall admit students who meet one of the following requirements and who are capable of benefiting from the instruction offered:

1. Any person over the age of 18 and possessing a high school diploma or its equivalent.
2. Other persons who are over the age of 18 years and, who in the judgment of the Superintendent/President or his or her designee, are capable of benefiting from the instruction offered. Such persons shall be admitted as provisional students, and thereafter shall be required to comply with the District's rules and regulations regarding scholastic achievement and other standards to be met by provisional or probationary students as a condition to being readmitted in any succeeding semester.
3. Persons who are apprentices as defined in Section 3077 of the Labor Code.

The District may deny or place conditions on a student's enrollment upon a finding by the Board or designee that the applicant has been expelled within the preceding five years or is undergoing expulsion procedures in another California community college district, and that the applicant continues to present a danger to the physical safety of the students and employees of the District.

The District shall at its discretion, or as otherwise federally mandated, evaluate the validity of a student's high school completion. The Superintendent/President shall establish procedures for evaluating the validity of a student high school completion.

Admission: Any student who is between 7th and 12th grade is eligible to attend as a special part-time student for advanced scholastic or vocational courses.

Any student who is between 7th and 12th grade is eligible to attend as a special full-time student.

Any student who is between 7th and 12th grade may attend summer session or any non-credit community services classes.

The Superintendent/President shall establish procedures regarding ability to benefit and admission of high school and younger students.

Denial of Requests for Admission: If the Board denies a request for special full time or part time enrollment by a student who is identified as highly gifted, the Board will record its findings and the reason for denying the request in writing within 60 days.

The written recommendation and denial shall be issued at the next regularly scheduled board meeting that occurs at least 30 days after the student submits the request to the District.

The Superintendent/President shall establish procedures regarding evaluation of requests for special full time or part time enrollment by a student who is identified as highly gifted.

Claims for State Apportionment for Concurrent Enrollment: Claims for state apportionment submitted by the District based on enrollment of high school students shall satisfy the criteria established by statute and any applicable regulations of the Board of Governors.

The Superintendent/President shall establish procedures regarding compliance with statutory and regulatory criteria for concurrent enrollment.

See Administrative Procedures 5010 and 5011.
