#### lssue

Occasionally there are cash flow shortages between funds and monies are needed to pay expenses.

#### Background

An Inter-Fund District Loan will cover temporary cash shortages for the 2021-2022 fiscal year (including, but not limited to Payroll, Accounts Payable, and Student Financial Aid). This is a past practice of the District in accordance with Government Code Section 53791.

#### Implications

The District has relatively even cash requirements for expenses, but revenues arrive sporadically.

#### **Recommended Action**

By roll call vote, it is recommended that Resolution No. 2021-11 be adopted by the Board of Trustees.
