INDEPENDENT AUDITORS' REPORT

Governing Board and
Citizens' Oversight Committee
College of the Sequoias Community College District
Visalia, California

Opinion

We have audited the accompanying financial statements of the Measures C, I, and J Revenue Bond Construction Fund of College of the Sequoias Community College District and the related notes to the financial statements as of and for the year ended June 30, 2022, as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Measures C, I, and J Revenue Bond Construction Fund of College of the Sequoias Community College District, as of June 30, 2022, and the changes in financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of College of the Sequoias Community College District and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the District's ability to continue as a going concern for one year beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditors' Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements. In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the District's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Emphasis of Matter

As discussed in Note 1, the financial statements present only the District's Measures C, I, and J Revenue Bond Construction Fund and do not purport to, and do not, present fairly the financial position of the District as of June 30, 2022, and the changes in financial position for the year then ended, in conformity with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated November 14, 2022 on our consideration of the District's internal control over financial reporting and on our test of its compliance with certain provisions of laws, regulations, contracts and other matters for the Measures C, I, and J Revenue Bond Construction Fund. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance for the Bond Funds. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering College of the Sequoias Community College District's internal control over financial reporting and compliance for the Revenue Bond Construction Fund.

**COLLEGE OF THE SEQUOIAS COMMUNITY COLLEGE DISTRICT
REVENUE BOND CONSTRUCTION FUND (MEASURES C, I, AND J)
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022**

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accounting policies of the College of the Sequoias Community College District Revenue Bond Construction Fund (Measures C, I, and J) conform to accounting principles generally accepted in the United States of America as prescribed by the Governmental Accounting Standards Board (GASB) and the American Institute of Certified Public Accountants (AICPA). The College of the Sequoias Community College District Revenue Bond Construction Fund accounts for financial transactions in accordance with the policies and procedures of the California School Accounting Manual.

Financial Reporting Entity

The financial statements include only the Revenue Bond Construction Fund of the College of the Sequoias Community College District used to account for Measures C, I, and J projects. This Fund was established to account for the expenditures of general obligation bonds issued under Measures C, I, and J. These financial statements are not intended to present fairly the financial position and results of operations of the College of the Sequoias Community College District in compliance with accounting principles generally accepted in the United States of America.

Fund Accounting

The operations of the Revenue Bond Construction Fund are accounted for in a separate set of self balancing accounts that comprise its assets, liabilities, fund balance, revenues, and expenditures. Resources are allocated to and accounted for in the fund based upon the purpose for which they are to be spent and the means by which spending activities are controlled.

Basis of Accounting

The Revenue Bond Construction Fund is accounted for using a flow of current financial resources measurement focus and the modified accrual basis of accounting. With this measurement focus, only current assets and current liabilities generally are included on the balance sheet. The statement of revenues, expenditures, and changes in fund balances reports on the sources (revenues and other financing sources) and uses (expenditures and other financing uses) of current financial resources.

Budgets and Budgetary Accounting

Annual budgets are adopted on a basis consistent with accounting principles generally accepted in the United States of America for all governmental funds. The District's governing board adopts an operating budget no later than July 1 in accordance with State law. A public hearing must be conducted to receive comments prior to adoption. The District's governing board satisfied these requirements. The Board revises this budget during the year to give consideration to unanticipated revenue and expenditures primarily resulting from events unknown at the time of budget adoption. The District employs budget control by minor object and by individual appropriation accounts. Expenditures cannot legally exceed appropriations by major object account.

**COLLEGE OF THE SEQUOIAS COMMUNITY COLLEGE DISTRICT
REVENUE BOND CONSTRUCTION FUND (MEASURES C, I, AND J)
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022**

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued

Encumbrances

The District utilizes an encumbrance accounting system under which purchase orders, contracts and other commitments for the expenditure of monies are recorded in order to reserve that portion of the applicable appropriation. Encumbrances are liquidated when the commitments are paid and all outstanding encumbrances lapse at June 30.

Fund Balance - Revenue Bond Construction Fund (Measures C, I, and J)

As of June 30, 2022, the fund balance is classified as follows:

Restricted – amounts that can be spent only for specific purposes because of constitutional provisions or enabling legislation or because of constraints that are externally imposed by creditors, grantors, contributors, or the laws or regulations of other governments.

Spending Order

When an expenditure is incurred for purposes for which both restricted and unrestricted fund balance is available, the District considers restricted funds to have been spent first. When an expenditure is incurred for which committed, assigned, or unassigned fund balances are available, the District considers amounts to have been spent first out of committed funds, then assigned funds, and finally unassigned funds, as needed, unless the governing board has provided otherwise in its commitment or assignment actions.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenditures/expenses during the reporting period. Actual results could differ from those estimates.

NOTE 2 – CONTINGENCIES

Litigation & Proceeds

The District is not currently a party to any legal proceedings regarding bond projects.

SUPPLEMENTARY INFORMATION

REVENUE BOND CONSTRUCTION FUND (MEASURES C, I, AND J)
MEASURES C, I, AND J
JUNE 30, 2022**

2006 General Obligation Bonds – Hanford Campus (Measure C Bonds)

On November 7, 2006, registered voters of the Improvement District No. 1 (Hanford Campus) authorized the issuance and sale of \$22,000,000 in general obligation bonds by a 55 percent vote. The first series of the authorization, Series A, was issued on March 8, 2007, for \$14,999,982. The Series A bonds were issued as current interest bonds and capital appreciation bonds. On January 28, 2009, the Series B bonds were issued in the amount of \$6,995,778. The Series B bonds were also issued as current interest bonds and capital appreciation bonds. The bond proceeds will be used to finance the acquisition, construction, modernization and equipping of certain District property and facilities on the Hanford Campus and to pay the cost of issuance.

2008 General Obligation Bonds – Visalia Campus (Measure I Bonds)

On November 4, 2008, registered voters of the Improvement District No. 2 (Visalia Campus) authorized the issuance and sale of \$28,000,000 in general obligation bonds by a 55 percent vote. The first series of the authorization, Series A, was issued on January 28, 2009, for \$17,997,404. The Series A bonds were issued as current interest bonds and capital appreciation bonds. On May 18, 2010, the Series B bonds were issued in the amount of \$4,999,652. The Series B bonds were issued as current interests bonds and capital appreciation bonds. The District issued the Series C bonds on March 2, 2011. The Series C bonds were issued as current interest bonds and capital appreciation bonds as well. The total amount of the Series C issuance was \$4,995,439. The bond proceeds will be used to finance the acquisition, construction, modernization, and equipping of certain District property and facilities on the Visalia Campus, and to pay costs of issuance.

2008 General Obligation Bonds – Tulare Campus (Measure J Bonds)

On November 4, 2008, registered voters of the Improvement District No. 3 (Tulare Campus) authorized the issuance and sale of \$60,000,000 in general obligation bonds by a 55 percent vote. The first series of the authorization, Series A, was issued on January 28, 2009, for \$19,998,219. The Series A bonds were issued as current interest bonds and capital appreciation bonds. On May 18, 2010, the Series B bonds were issued in the amount of \$10,004,927. The Series B bonds were issued as current interests bonds and capital appreciation bonds. The bond proceeds will be used to finance the acquisition, construction, modernization, and equipping of certain District property and facilities. On August 14, 2013, the Series C bonds were issued in the amount of \$3,401,460. The Series C bonds were issued as current interest bonds and capital appreciation bonds. The District issued the Series D bonds on May 10, 2016. The Series D bonds were issued as current interest bonds. The total amount of the Series D issuance was \$3,710,000. The District issued the Series E bonds on May 11, 2021. The Series E bonds were issued as current interest bonds. The total amount of the Series E issuance was \$22,885,000. The bond proceeds will be used to finance the acquisition, construction, modernization, and equipping of certain District property and facilities on the Tulare Campus, to repay the Bond Anticipation Notes and to pay the cost of issuance.

NOTE 1 - PURPOSE OF SCHEDULES

Schedule of Long-Term Obligations

This schedule provides a debt repayment schedule associated with the bond proceeds received through issuance of Revenue Bond Construction Fund (Measures C, I, and J) obligations.

Reconciliation of Annual Financial and Budget Report With Audited Revenue Bond Construction Fund (Measures C, I, and J)

This schedule provides the information necessary to reconcile the fund balance of the Revenue Bond Construction Fund (Measures C, I, and J) reported on the Annual Financial and Budget Report (311) and the audited financial statements.

OTHER REPORTS

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND
ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS
PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

Governing Board and
Citizens' Oversight Committee
College of the Sequoias Community College District
Visalia, California

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the College of the Sequoias Community College District (the "District") Measures C, I, and J Revenue Bond Construction Fund as of and for the year ended June 30, 2022, and the related notes to the financial statements, and have issued our report thereon dated November 14, 2022.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the District's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control over the Measures C, I, and J Revenue Bond Construction Fund's financial reporting. Accordingly, we do not express an opinion on the effectiveness of the District's internal control over financial reporting for the Measures C, I, and J Revenue Bond Construction Fund.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the College of the Sequoias Community College District's Measures C, I, and J Revenue Bond Construction Fund's financial statements are free of material misstatement, we performed tests of the Bond Funds' compliance with certain provisions of laws, regulations, and contracts, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance for the Bond Funds. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance for the Bond Fund. Accordingly, this communication is not suitable for any other purpose.

San Diego, California

November 14, 2022

INDEPENDENT AUDITORS' REPORT ON PERFORMANCE

Governing Board and
Citizens' Oversight Committee
College of the Sequoias Community College District
Visalia, California

Opinion

We have conducted a performance audit of the College of the Sequoias Community College District (the "District") Measures C, I, and J Revenue Bond Construction Fund for the year ended June 30, 2022.

The results of our tests indicated that, in all significant respects, College of the Sequoias Community College District expended Measures C, I, and J Revenue Bond Construction Funds for the year ended June 30, 2022 only for specific projects developed by the District's Board of Trustees and approved by the voters, in accordance with the requirements of Proposition 39, as specified by Section 1(b)(3)C of Article XIII A of the California Constitution.

We conducted our performance audit in accordance with *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain sufficient, appropriate evidence to provide a reasonable basis for our conclusion based on our audit objectives. We believe that the evidence obtained provides a reasonable basis for our conclusions based on our audit objectives.

Objectives

Our audit was limited to the objectives listed on page 5 of this report which includes determining the compliance with the performance requirements for the Proposition 39 Measures C, I, and J Revenue Bond Construction Funds under the applicable provisions of Section 1(b)(3)(C) of Article XIII A of the California Constitution and Proposition 39 as they apply to the bonds and the net proceeds thereof. Management is responsible for College of the Sequoias Community College District's compliance with those requirements.

Scope

The scope of our performance audit covered the period of July 1, 2021 to June 30, 2022. The population of expenditures tested included all object and project codes associated with the bond projects. The propriety of expenditures for capital projects and maintenance projects funded through other State or local funding sources, other than proceeds of the bonds, were not included within the scope of the audit. Expenditures incurred subsequent to June 30, 2022 were not reviewed or included within the scope of our audit or in this report.

Methodology

We obtained the general ledger and the project expenditure reports prepared by the District for the fiscal year ended June 30, 2022, for the Revenue Bond Construction Fund (Measures C, I, and J). Within the fiscal year audited, we obtained the actual invoices and other supporting documentation for a sample of expenditures to ensure compliance with the requirements of Article XIII A, Section 1(b)(3)(C) of the California Constitution and Measures C, I, and J as to the approved bond projects list. We performed the following procedures:

1. We selected a sample of expenditures for the period starting July 1, 2021 and ending June 30, 2022, and reviewed supporting documentation to ensure that such funds were properly expended on the specific projects listed in the ballot text.
2. Our sample included transactions totaling \$496,047 of the total expenditures of \$1,703,915 (issuance costs).
3. We verified that funds from the Revenue Bond Construction Fund (Measures C, I, and J) were generally expended for the construction, renovation, furnishing and equipping of District facilities constituting authorized bond projects.

Solely to assist us in planning and performing our performance audit, we obtained an understanding of the internal controls of College of the Sequoias Community College District to determine if internal controls were adequate to help ensure the District's compliance with the requirements of Proposition 39, as specified by Section 1(b)(3)C of Article XIII A of the California Constitution. Accordingly, we do not express any assurance on the internal controls.
