

Academic Senate Standing Report District Governance Senate

Date of District Governance Senate Report: October 13th, 2020

Date(s) Academic Senate Met: September 23rd, 2020

Standing Report:

During the September 23rd meeting, the Academic Senate took action on the following:

A. Approved curriculum.

The following items were discussed:

A. Initiatives

Academic Senate President Greg Turner presented the Senators with potential initiatives. Senators were asked to present the suggested initiatives to their division/department colleagues for feedback. The initiatives will be presented to the Academic Senate at the next meeting for action.

B. Review of Governance Manuals

Academic Senate President Greg Turner discussed, with Senators, the process and timeline for the review and updating of the District's Governance Manuals. However, due to the COVID pandemic, a limited review of the District's Governance Manuals on the contents relevant to the Academic Senate was done over the summer by the Academic Senate President and Vice-President. The Academic Senate President requested that Senators conduct a review of the contents relevant to the Academic Senate and its Committees to ensure that the information is accurate. Discussion ensued.

Meeting adjourned at 5:30 pm.
