12. Old Business:

Student social hour is on May 7th they want to meet in a zoom meeting on Thursday since they have not started it yet.

The equity summit was April 30th. Debbie has heard some awesome things about their presentations. Jasmine has really enjoyed the opportunity to present and incorporated other students. Noor wants to thank Nicole for sharing the opportunity. She is glad to see that we have been able to help each other out especially with faculty members listening to issues that students are having. Jonalyn

was grateful to have the opportunity and was appreciative to have someone else listen to the issues students might be having. Nicole thinks this will make a huge difference for next semester. The faculty had an answer to the problems students had and they were willing to help fix these issues efficiently.

There will be a student support interest survey for anyone who has not gotten a chance to share, and they will be giving 100\$ prizes. This has been sent to everyone's emails using survey monkey.

The election results, Nicole is President, David has asked to be removed from commissioner of clubs, Molly is the commissioner of records, and Jonalyn is the commissioner of publicity. The other 6 will be appointed in the fall semester. 36 people voted for these elections. Congratulations to the new board members for 2021-2022.
