Any downward adjustment of any position or class of positions shall be considered a demotion and shall be subject to negotiations between the District and CSEA.

19.7 Reclassification:

LAYOFF AND RE-EMPLOYMENT

20.1 Reason for Layoff:

Layoffs shall occur only for lack of work or lack of funds.

20.2 Notice of Layoff:

The District shall give written notice to both CSEA and the affected bargaining unit member(s) not less than sixty (60) calendar days prior to any planned layoffs. Notice of layoffs shall specify the reason for the layoff and identify by name and classification the bargaining unit member(s) designated for layoff.

20.2.1 Failure to give written notice under the provisions of this Article shall invalidate the layoff.

20.2.2 The District and CSEA shall meet within ten (10) working days following such notification to review the proposed layoffs and determine the order of layoff and identify by name and classification the employees designated for layoff.

20.3 Order of Layoff:

The order of layoff shall be based on seniority within the affected classification plus higher classes. A bargaining unit member with the least seniority within the class plus higher classes shall be laid off first. Seniority shall be based on the employee's hire date.

20.4 Bumping Rights:

A regular bargaining unit member laid off from his/her current classification may bump into an equal classification on the Classified Salary Schedule in which the bargaining unit member has previously served, provided that the affected bargaining unit member's seniority exceeds that of a bargaining unit member in the equal classification.

20.4.1 If there is no position in an equal classification available under Article 20.4, the affected bargaining unit member may bump into the next lower classification on the Classified Salary Schedule in which the bargaining unit member has previously served, provided that the affected bargaining unit member's seniority exceeds that of a bargaining unit member in that classification.

20.4.2 This process shall continue for all classifications in which the bargaining unit member has earned seniority before layoff from District bargaining unit employment.

20.5 Layoff in Lieu of Exercising Bumping Rights:

Should a bargaining unit member elect to waive the bumping rights as prescribed by this Article and California Education Code and accept a layoff from District

employment, the bargaining unit member will retain re-employment rights provided by this Agreement and Education Code.

20.6 Equal Seniority:

If two (2) or more bargaining unit members subject to layoff have equal seniority, determination of order for layoff shall be based on the number of hours an employee has been in paid status in the affected class plus higher classes. If that date is equal, the determination of greater seniority shall be made by a lottery system.

20.7 Re-employment Rights:

Bargaining unit members laid off under the terms of this Article and California Education Code shall be eligible for re-employment in the affected classification(s) for a 39-month period.

20.7.1 Re-employment shall be offered in the reverse order of layoff and based upon the seniority of all bargaining unit members on the re-employment list for the affected class(es).

20.7.2 Re-employment within the previous classification(s) shall take precedence over hiring of new employees.

20.7.3 Bargaining unit members laid off in accordance with this Article and California Education Code shall have the right to apply for promotional positions and use their bargaining unit seniority within the application period specified by the District recruitment announcement for a period of 39 months following layoff. The District shall provide notification of such promotional opportunities to laid-off bargaining unit members.

20.8 Voluntary demotion or Voluntary Reduction in Hours of Assignment:

Bargaining unit members who take voluntary demotions or voluntary reductions in assigned time in lieu of layoff shall be, at the bargaining unit member's option, returned to a position in their former class or to positions with increased assigned time as vacancies become available, and with no time limit, except that they shall be ranked in accordance with their seniority on any valid re-employment list.

20.9 Retirement in Lieu of Layoff:

A bargaining unit member may elect to accept a service retirement in lieu of layoff, voluntary demotion, or reduction in hours of assignment. The bargaining unit member must be provided written notification to Human Resource Services of such election not less than 10 working days of the effective date of the proposed layoff.

20.9.1 The bargaining unit member shall be placed on the appropriate re-employment list(s) in accordance with Article 20.7 except that the bargaining unit member shall not be eligible for re-employment during such period required by applicable Government Code sections and/or regulations of the Public Employees Retirement System (PERS).

20.9.2 The District shall provide the bargaining unit member 10 working days to accept a written offer of re-employment. In addition, the retired bargaining

unit member shall be provided adequate time to determine his/her requirements to reinstate participation in PERS retirement if the re-employment offer is accepted.

20.9.3 Should a bargaining unit member elect to retire after being placed on a re-employment list, such action will be considered retirement in lieu of layoff. Re-employment rights of this Section shall be for the duration of the 39-month period prescribed by Article 20.7.

20.9.4 A bargaining unit member who retires according to this provision and subsequently declines an offer of re-employment equal to that from which they retired shall be deemed to have waived his/her re-employment rights and permanently retired.

20.10 Seniority Roster:

The District shall maintain an updated seniority roster indicating bargaining unit members' class seniority, bargaining unit seniority, and hire date seniority. In addition to the requirements of Section 5.1.5 such rosters shall be available to CSEA at any time upon request.

20.11 Notification of Re-employment Opportunities:

Any bargaining unit member who is laid off and is subsequently eligible for re-employment shall be notified in writing by the District of an opening. Such notice shall be sent by mail or email as designated by the laid off employee to the last address given the District by the bargaining unit member, and a copy shall be sent to CSEA by the District, which shall acquit the District of its notification responsibility.

20.12 Bargaining Unit Member's Notification to the District:

The affected bargaining unit member eligible for re-employment according to this Article shall notify Human Resource Services of his/her intent to accept or reject the re-employment offer within 10 working days of its receipt or attempted delivery to the last known address of the bargaining unit member. If accepted, the bargaining unit member must report for work within 10 working days of acceptance or a date acceptable to the parties.

20.13 Re-employment in the Highest Classification:

Bargaining unit members shall be re-employed in the highest classification available for which eligible in accordance with this Article. If the bargaining unit member accepts employment in a classification placed lower on the Classified Salary Schedule than previously assigned prior to layoff action, re-employment rights to the higher classification shall continue for a period of 63 months from effective date of layoff action.

20.14 Improper Layoff:

The timely signing and filing of this form by the permanent bargaining unit member shall constitute a request for a hearing and denial of all charges.

GRIEVANCE PROCEDURE

22.1 Definition:

A grievance is defined as any complaint of a bargaining unit member, bargaining unit members, or CSEA involving the interpretation, application, or alleged violations of this Agreement or a violation, application or interpretation of any law, District policy, rule, regulation, or practice. It is the intent of the parties to encourage as informal and confidential an atmosphere as is possible in the resolution of grievances.

22.2 Procedure:

Grievances shall be handled in the following manner:

22.2.1 Informal Resolution:

An aggrieved bargaining unit member may present directly or through his/her Job Representative, his/her grievance to his/her immediate Supervisor. The grievance shall be submitted orally. If the grievance is not satisfactorily adjusted informally, the grievance may proceed to Step One.

22.2.2 Step One:

An aggrieved bargaining unit member may present directly or through his/her Job Representative his/her grievance to his/her immediate supervisor in writing within one year from the alleged grievance. If the grievance is not satisfactorily adjusted within five (5) working days after the submission of the grievance, the immediate Supervisor within five (5) working days after the submission of the grievance shall reduce to writing his/her response to the grievance to the aggrieved party and the Job Representative. At Step One of the grievance procedure the grievant may elect in writing to represent himself/herself rather than have CSEA provide representation. If the grievant elects to represent himself/herself at this step, or at any later step, CSEA shall be relieved of any further obligation of representation and shall be relieved of any further obligation to share in any further expense of the grievance procedure.

22.2.3 Step Two:

If the grievance is not satisfactorily adjusted by the immediate Supervisor or if the immediate Supervisor fails to respond in accordance with Step One, CSEA may submit the grievance in writing to the next level of supervision within five (5) working days of the response from the immediate Supervisor or within five (5) working days after the immediate Supervisor fails to respond in accordance with Step One. Within five (5) working days after the receipt of the grievance at Step Two, the next level of supervision shall hold a meeting at which the grievant and Job Representative and the immediate Supervisor of the grievant shall be present to discuss and seek to resolve the grievance. The grievant and the Job representative shall be notified in writing of the response at Step Two within five (5) working days after the meeting.

22.2.4 Step Three:

If the grievance is not satisfactorily adjusted at Step Two or if the procedures called for at Step Two are not followed, CSEA may submit the grievance in writing to the District Superintendent/President within seven (7) working days of the receipt of the response at Step Two or within seven (7) working days after the time periods called for in Step Two have passed. Within seven (7) working days of the receipt of the grievance at Step Three, the Superintendent/President or his/her designee will meet the grievant and his/her Job Representative in an attempt to resolve the grievance. Within five (5) working days after this meeting, the Superintendent/President shall deliver to the grievant and the Job Representative the response of the grievance.

22.2.5 Step Four:

If the grievance is not satisfactorily adjusted by the Superintendent/President, CSEA may submit the grievance in writing to the governing board within seven (7) working days of the receipt of the response of the Superintendent/President or within seven (7) working days of the failure of the Superintendent/President to respond in accordance with Step Three. The governing board will schedule a public hearing on the grievance at its next regularly scheduled public meeting. At that meeting, the grievant and the Job Representative shall have an opportunity to testify, present evidence and witnesses pertaining to the grievance. Within five (5) working days after this meeting, the governing board will deliver to the grievant and his/her Job Representative its written response to the grievance.

An individual representing himself/herself may elect to take his/her case to the governing board. In such instance s/he shall follow the procedures of this Section.

22.3 Group Grievances:

If the grievance involves bargaining unit members with different immediate Supervisors, the grievance may be filed at Step Two. If the grievance involves bargaining unit members, not all of whom have the same supervisor at Step Two, the grievance may be submitted at Step Three.

22.4 Policy Grievances:

If the grievance involves District-wide policy, practice or interpretation of this Agreement, the grievance may be submitted by CSEA at Step Three.

22.5 Bargaining Unit Member-Processed Grievance:

A bargaining unit member covered by this Agreement may present a grievance directly and have such grievance adjusted without intervention of CSEA as long as the adjustment is not inconsistent with the terms of this Agreement. CSEA shall be provided copies of any grievances filed by bargaining unit members directly and any responses by the District. Prior to any resolution of any grievance, CSEA shall be provided an opportunity to file a written response to the proposed resolution. Any

disagreement concerning whether the settlement is inconsistent with the terms of this Agreement shall be subject to the grievance procedure.

22.6 Disciplinary Grievances:

Grievances involving disciplinary action by the District shall be handled in the same manner as all other grievances with the following exceptions:

22.6.1 A disciplinary grievance may be initiated at Step One, Two or Three at the option of the bargaining unit member.

22.6.2 Disciplinary review at Step Four shall confine itself to determination of guilt or innocence and the appropriateness of the proposed penalties. Disciplinary review at Step Four shall not add to, subtract from, or modify the provisions of this Agreement. The Step Four decision with respect to guilt or innocence, penalty or cause for emergency suspension shall be final and binding upon the parties. The Step Four review may approve, disapprove, or take any other appropriate action warranted under the circumstances including, but not limited to, ordering reinstatement and back pay of all or part of any period of suspension. If the Step Four review finds cause for any emergency suspension, it may consider such a suspension in determining the penalty to be imposed. If the Step Four review finds that the charges are not sustained and there has been a suspension, the bargaining unit member shall request reinstatement and payment of back pay and benefit from the date of suspension forward.

22.7 Grievance Witnesses:

The District shall make available for testimony in connection with the grievance procedure any District bargaining unit members whose appearance is requested by the grievant or CSEA. Any bargaining unit member witnesses required to appear in connection with this Article shall suffer no loss of pay.

AP 3430

- 30.1** CSEA agrees that the District has the right to establish and to amend from time to time policies pertaining to and prohibiting unlawful discrimination and harassment. Procedures for investigating and processing discrimination and harassment complaints are negotiable.

Reference: Education Code sections 2.2.1, 66252, 66282.5;
Government Code sections 12900 – 12996;
Labor Code sections 1101, 11021;

42 U.S.C. section 2000h – 2 (Title IX)
Title 5, section 59320, et. seq.

30.2 Purpose:

College of the Sequoias is committed to providing an academic and work environment free of unlawful discrimination and harassment. This procedure defines unlawful discrimination and harassment, including sexual harassment, and sets forth a procedure for the investigation and resolution of complaints of discrimination and harassment by or against any staff or faculty member or student within the College.

30.3 Definition of Unlawful Discrimination and Harassment:

30.3.1 Definition

Unlawful discrimination and harassment is defined as discrimination or harassment on the basis of ethnic group identification, national origin, religion, age, sex (i.e. gender), marital status, race, creed, color, ancestry, sexual orientation, physical or mental disability, medical condition, genetic information, military service or the perception that a person has one or more of the foregoing characteristics.

30.4 Definition of Sexual Harassment:

30.4.1 Definition

Sexual harassment is defined as unwelcome acts of a sexual nature including sexual advances, requests for sexual favors and/or other verbal or physical conduct including written communications of an intimidating, hostile or offensive nature, or action taken in retaliation for the reporting of such behavior when:

30.4.1.1 Submission to such conduct, either explicitly or implicitly, is made a term or condition of an individual's employment, academic status or progress; or

30.4.1.2 Submission to or rejection of such conduct by an individual is used as the basis for employment, promotion, transfer, selection for training, performance or academic evaluation decisions; or

- 30.4.1.3 Such conduct has the purpose or effect of creating an intimidating, hostile or offensive working or educational environment or substantially interferes with an employee's work performance or a student's academic performance; or
- 30.4.1.4 Submission to, or rejection of, the conduct by the individual is used as the basis for any decision affecting the individual regarding benefits and services, honors, programs, or activities available through the College.

30.4.2 Kinds of Sexual Harassment

The definition of sexual harassment encompasses two kinds of sexual harassment.

- 30.4.2.1 "Quid pro quo" sexual harassment occurs when a person in a position of authority makes education or employment benefits conditional upon an individual's willingness to engage in or tolerate unwanted sexual conduct.
- 30.4.2.2 "*Hostile environment*" sexual harassment occurs when unwelcome conduct based on sex is sufficiently severe or pervasive so as to alter the conditions of an individual's learning or work environment, unreasonably interferes with an individual's academic or work performance, or creates an intimidating, hostile, or abusive learning or work environment. The victim must subjectively perceive the environment as hostile, and the harassment must be such that a reasonable person of the same gender would perceive the environment as hostile.

30.5 Examples of Sexual Harassment:

Sexual harassment can consist of virtually any form or combination of verbal, physical, visual or environmental conduct. It need not be explicit or even specifically directed at the victim. Sexually harassing conduct can occur between people of the same or different genders. The standard for determining whether conduct constitutes sexual harassment is whether a reasonable person of the same gender as the victim would perceive the conduct as harassment based on sex.

30.5.1 Verbal Sexual Harassment

Verbal sexual harassment may include, but is not limited to:

- a. Inappropriate or offensive remarks, slurs, jokes or innuendoes based on a person's protected status;
- b. Inappropriate comments regarding an individual's body, physical appearance, attire, sexual prowess, marital status or sexual orientation;
- c. Unwelcome flirting or propositions;
- d. Demands for sexual favors;
- e. Verbal abuse, threats or intimidation of a sexual nature;
- f. Sexist, patronizing or ridiculing statements that convey derogatory attitudes about a particular gender or sexual orientation.

30.5.2 Physical Sexual Harassment

Physical sexual harassment may include, but is not limited to:

- a. Inappropriate or offensive touching;
- b. Sexual assault, or coerced sexual intercourse or other sexual acts;
- c. Physical interference with free movement or blocking another person;
- d. Kissing, patting, fondling, lingering or intimate touches, grabbing, pinching, leering suggestively, unnecessarily brushing against another person;
- e. Sexual gestures;
- f. Acting in a provocative manner.

30.5.3 Visual or Written Sexual Harassment

Visual or written sexual harassment may include, but is not limited to:

- a. The display or circulation of offensive, sexually oriented or other discriminatory visual or written materials;
- b. Posters, cartoons, drawings, graffiti, or other reading materials of a sexual nature;
- c. Computer graphics or electronic media transmissions of a sexual nature.

30.5.4 Environmental Sexual Harassment

An academic or work environment that is permeated with sexually oriented talk, innuendo, insults or abuse not relevant to the subject matter of the class or activities on the job. A hostile environment can arise from an unwarranted focus on sexual topics or sexually suggestive statements in the classroom or work place. An environment may be hostile if unwelcome sexual behavior or other harassing behavior based on a protected status is directed specifically at an individual or if the individual merely witnesses unlawful harassment in his or her immediate surroundings.

The determination of whether an environment is hostile is based on the totality of the circumstances, including such factors as the frequency of the conduct, the severity of the conduct, whether the conduct is humiliating or physically threatening, and whether the conduct unreasonably interferes with an individual's learning or work.

30.5.5 Relationships

Romantic or sexual relationships between supervisors and employees, or between administrators, faculty or staff members and students are discouraged. There is an inherent imbalance of power and potential exploitation in such relationships. A conflict of interest may arise if the administrator, faculty or staff member must evaluate the student's or

employee's work or make decisions affecting the employee or student. The relationship may create an appearance of impropriety and lead to charges of favoritism by other students or employees. A consensual relationship may change, with the result that sexual conduct that was once welcome becomes unwelcome and harassing. By definition, sexual harassment is not within the course and scope of an individual's employment with the College.

30.6 Complaint Procedure for Investigation and Resolution of Claims of Harassment:

30.6.1 Informal Complaint Procedure

- 30.6.1.1 The College Complaint Officer as identified in Section 30.6.2.2 below shall undertake, where possible, to informally resolve charges of unlawful discrimination or harassment;
- 30.6.1.2 The College Complaint Officer shall first advise complainant of his/her rights and obligations under both the formal and informal complaint process. The College Complaint Officer further advise complainant of his/her right to file a formal complaint and explain the procedures for doing so.
- 30.6.1.3 The College Complaint Officer shall also notify complainant that s/he need not participate in an informal resolution of the complaint and may file a complaint with the Office of Civil Rights of the U.S. Department of Education, the Equal Employment Opportunity Commission or the Department of Fair Employment and Housing.
- 30.6.1.4 If the complainant declares his/her preference for the informal process, the College Complaint Officer shall have complainant read, date, and sign a document containing the basic of complainant's allegations and describing the formal/informal procedure and indicating that complainant opted for the informal process.
- 30.6.1.5 The College Complaint Officer shall assure the complainant that s/he will not be required to confront or work out problems with the person accused of unlawful discrimination or harassment.
- 30.6.1.6 In attempting to resolve the complaint through informal means, the College Complaint Officer shall not conduct any investigation unless the College Complaint Officer determines that an investigation is necessary due to the seriousness of the charges.
- 30.6.1.7 Effort at informal resolution may continue after the filing of a formal written complaint.

30.6.2 Filing a Complaint

30.6.2.1 Complaint Form

A complaint may be filed directly with the Chancellor's Office using the Chancellor's Office complaint form (Appendix L). Where a complaint is initially filed with the Chancellor's Office, Title 5 §59329 requires the Chancellor to immediately forward a copy of the complaint to the College for investigation and response.

30.6.2.2 College Complaint Officer

The College will designate an administrator of each gender to act as the College Complaint Officer. Each College Complaint Officer shall be given training, which is current in the proper methods of receiving, investigating, and processing complaints of unlawful discrimination and harassment. The Complaint Officer is charged with receiving complaints of sexual or other forms of prohibited discrimination or harassment, and coordinating the investigation. The accused shall have the right to select which College Complaint Officer oversees the investigation; however, if the complainant prefers the other College Complaint Officer, the two Officers will coordinate with one another on the investigation.

The Complaint Officer may assign the actual investigation to other staff or to an outside person or organization under contract with the College after written notice has been given to the accused and CSEA. An outside investigating organization shall be utilized whenever the Complaint Officer is named in the complaint or implicated by the allegations of the complaint.

30.6.2.3 Written Complaint

A student, staff or faculty member who believes he or she has a non-employment based complaint of unlawful discrimination or harassment must make a written or oral complaint to the College Complaint Officer within one year of the date of the alleged discrimination or harassment, or within one year from the date on which the complainant knew or should have known of the facts underlying the complaint.

A student, staff or faculty member who believes he or she has an employment-based complaint of unlawful discrimination or harassment must make a written or oral complaint to the College Complaint Officer within 180 days of the date of the alleged discrimination or harassment, or within 90 days following the expiration of the 180-day period if the complainant first obtained knowledge of the alleged violation after the expiration of the 180 days.

If the complainant fails or refuses to file a written complaint, the College Complaint Officer shall ask the complainant for permission to tape record his/her statement and if permission is not granted, the College Complaint Officer shall make a written record of the complainant's statement and shall give the complainant an opportunity to sign the statement. Any written record of the complainant's statement shall be in the form of a report and shall be free of subjective interpretation. All complainants must be made aware that failure to reduce a complaint to writing may be a factor when determining his/her credibility or the severity of his/her complaint in an administrative or judicial hearing. The College shall have no obligation to notify the Chancellor's Office of complaints that have not been placed in writing and signed by the complainant.

Any College employee who receives a harassment complaint shall notify the College Complaint Officer immediately.

30.6.3 Notice to Accused

The College Complaint Officer will give prompt notice to the person accused of harassment regarding the identity of the complainant, the date, time and place of the alleged incident of harassment, and the nature of the alleged misconduct.

30.6.4 Investigation Process

30.6.4.1 Witness Interviews

The College Complaint Officer shall authorize the investigation of the complaint, and supervise and/or conduct a thorough, prompt and impartial investigation of the complaint.

Prior to commencing any investigation and before interviewing the accused, the Complaint Officer shall notify an accused employee by telephone that a harassment complaint has been lodged against him/her and that s/he is entitled to union representation at any and all meetings with the Complaint Officer or designee, and without divulging names and/or the specifics of the matters in issue, the Complaint Officer shall also immediately notify the President or designee of the employee's union by telephone to alert the union that the employee may need assistance with regard to a harassment complaint. Within one (1) working day of notice to the accused employee and his/her respective union, or as soon thereafter as possible, the Complaint Officer shall re-contact the accused employee to set a date and time to meet with the accused employee. The College Complaint Officer shall meet with the accused before

interviewing any witnesses. At this meeting, the accused shall have the right of Union representation as provided in this section.

The investigation will include interviews with the complainant, persons who may have relevant knowledge concerning the complaint and the accused harasser. The accused and the complainant may recommend witnesses to be interviewed. The process may include interviews with victims of similar conduct.

30.6.4.2 Analysis of Information Gathered

The Complaint Officer will review the factual information gathered through the investigation to determine whether the alleged conduct constitutes harassment giving consideration to all factual information and the totality of the circumstances, including the nature of the conduct and the context in which the alleged incidents occurred.

30.6.4.3 Written Report

The Complaint Officer will prepare a written report that sets forth the results of the investigation. The written report shall include a description of the circumstances giving rise to the complaint, a summary of the testimony of each witness, an analysis of any relevant data or other evidence collected during the investigation, a specific finding as to whether harassment did or did not occur with response to each allegation in the complaint, and any other appropriate information.

30.6.4.4 Notice to Complainant and Accused

Within ninety (90) days from the date the College received the written complaint or reduced the complainant's verbal allegations to writing, the Complaint Officer will provide the complainant and the accused with a summary statement of the findings. The summary statement will also include the determination of the Complaint Officer as to whether harassment did or did not occur with respect to the allegations in the complaint, the proposed resolution to the complaint, a statement regarding action taken, if any, and notice of the complainant's right to appeal to the College's Board of Trustees and the State Chancellor's Office.

30.6.5 Appeal Process

30.6.5.1 Board of Trustees

If the complainant is not satisfied with the result of the Complaint Officer's determination, s/he may within fifteen days, submit a written appeal to the Board of Trustees.

The Board of Trustees shall review the original complaint, the investigative report, the Complaint Officer's decision and the appeal documents. The Board shall issue a written decision within forty-five (45) days after receiving the written appeal. A copy of the decision rendered by the Board shall be forwarded to the complainant and to the State Chancellor's Office. The decision shall also include notice to the complainant of the right to appeal.

30.6.5.2 Notice to the Chancellor's Office

Within 150 days of receiving a written complaint, the College shall forward to the State Chancellor's Office the complaint, investigative report, notice to the complainant and accused of the final decision of the Complaint Officer, the decision of the Board of Trustees or the date upon which the decision of the Complaint Officer became final, and a copy of the notice to the complainant of his or her appeal rights. If, due to circumstances beyond its control, the College is unable to comply with the 150-day deadline for submission of materials, the College may file a written request with the Chancellor's Office, within ten (10) days of the deadline, for an extension of time to submit the documents. As set forth in Section 30.5.1.2, the College has no obligation to notify the Chancellor's Office of complaints that have not been placed in writing and signed by the complainant.

30.6.5.3 Appeal to State Chancellor's Office

The complainant may file a written appeal with the State Chancellor's Office within thirty (30) days of the Board of Trustee's decision or the date the Complaint Officer's decision is deemed approved. The appeal to the Chancellor's Office shall be processed pursuant to the provisions of the California Code of Regulations, Title 5, Section 59350.

30.6.6 Remedial Action

30.6.6.1 Conclusions

If the College concludes that the charge of harassment is meritorious, it will provide timely notification to the accused of any corrective action proposed by the College.

30.6.6.2 Discipline

If harassment occurred, the College shall take disciplinary and/or remedial action against the harasser. The action will be prompt and commensurate with the severity of the offense. If discipline is imposed, the nature of the disciplinary action will not be communicated to the complainant.

Disciplinary actions against faculty, staff and students will conform to all relevant statutes, regulations, personnel policies and procedures, including the provisions of any applicable collective bargaining agreement.

30.6.6.3 Right to Grieve

A classified employee accused of harassment who is subject to disciplinary action as a result of the complaint shall have the right to proceed to arbitration only after s/he has attempted a settlement at the mediation level. Prior to selecting an arbitrator, the parties agree to use the State Mediation and Conciliation Service to mediate the dispute. The mediation will be conducted as confidential settlement negotiations such that if the parties fail to reach agreement none of the information or proposals exchanged in the mediation may be used in any subsequent arbitration hearing. If mediation fails to generate a settlement, the parties agree to request a list of arbitrators from the State Mediation and Conciliation Service and to select an arbitrator using a “strike off” process.

30.6.6.4 Confidentiality and Prohibition of Retaliation

The College shall take reasonable steps to ensure the confidentiality of the investigation and to protect the privacy of all parties. The College shall also take reasonable steps to protect the complainant from further harassment and to protect the complainant from retaliation as a result of filing the complaint. The College shall take reasonable actions to ensure that neither the accused person nor the accuser, nor his/her representative, shall engage in any retaliation or intimidation toward each other or the witnesses. The College shall make every effort and take all necessary steps in order to protect personnel from the consequences of false accusations relating to sexual harassment.

30.6.7 Dissemination of Policy and Procedures

The College’s policy and procedures related to harassment will be provided to all students, faculty members, administration and staff, and will be posted in each department office on campus.

At the time of initial hire, employees will be supplied with a copy of the current harassment policy and harassment complaint procedure of the District; and they will sign a statement (Appendix K) acknowledging that they have received the policy and procedures. The signed statement will be placed in the employee’s personnel file. In addition, the most current policy and procedures will be incorporated into the College’s General Catalog and orientation materials for new students.

30.6.8 Training

Training of faculty and staff should be conducted annually emphasizing the prohibition of harassment in the classroom and work environment and should include a review of the Board Policy 3430, Prohibition of Unlawful Discrimination and Harassment and the Discrimination and Harassment Complaint Procedures as outlined in Article XXX.
