

RN Program Applications FAQs

Q: I previously applied to the RN Program. Do I need to resubmit all the documentation again?

A: Yes. You must submit a complete application packet each time you apply.

Q: Where do I put my name on the envelope?

A: Anywhere on the front of the envelope is acceptable.

TEAS

Q: I previously applied to the RN Program and transferred my TEAS score through ATI. Do I need to transfer them again?

A: You do not need to pay ATI to have the same test score transferred again. However, you still need to include a print out of your Individual Performance Profile Report and receipt/email confirmation of transfer in with your application packet.

If you retaken the TEAS (second attempt) and have a new score that you would like to be used for your points, then you will need to have your scores transferred to College of the Sequoias ADN.

Q: Do I need to transfer my TEAS scores to COS if I took the TEAS at COS?

A: No. If you took the TEAS at COS, you do not need to transfer your scores to COS.

Q: Do I need to print out the entire TEAS Individual Performance Profile Report to include with my application packet?

A: No. The first page of the report will suffice. It should have your name, total TEAS score, the date you took the test, attempt, and days since your last attempt.

Electronic Transcripts

Q: I previously applied to the RN Program and sent my official transcripts *electronically*. Do I need to send them again?

A: If there have been no changes to your transcripts, meaning no new classes, no new grades posted to the transcripts, no new degrees posted to the transcripts, then no, you do not need to send the same transcript again. However, you do need to include a corresponding unofficial transcript printout and receipt of initial transfer in with your application packet.

If the last time you submitted official transcripts you had coursework in progress, have taken courses, or received a degree, then you will need to send the updated official transcripts.

Q: Do I need to submit my high school transcripts?

A: You only need to submit your *official* high school transcripts if you are using them to claim points for foreign language (category 9 of the application).

State Certification

- Q: I just took my state test for my CNA certification and I won't receive my certification by the application deadline. Can I submit my state test results that shows I passed the exam, and receive the points?
- A: No. In order to receive points, you must submit a copy of your CA state issued CNA certification.

Language Proficiency Form

- Q: For the Language Proficiency Form what does clergy member mean?
- A: A clergy member is someone who works in the church (i.e.: priest, pastor, minister, rabbi, etc.). A clergy member is not a parishioner, a friend who attends services with you.
- Q: For the Language Proficiency Form does the person filling out the form need to be fluent in the language?
- A: Yes, they must know the language in order to assess your fluency of the language.
