2022 Annual Security Report

Who was Jeanne Clery?

Jeanne Clery was a 19-year-old Lehigh University freshman who was raped and murdered in her dorm room on April 5, 1986. Her parents later found out about 38 violent crimes reported on the Lehigh campus in the three years before her murder. They joined with other victims of campus crime and persuaded Congress to enact this law, which was originally known as the “Crime Awareness and Campus Security Act of 1990.”

The Clery Act

In 1990, the Higher Education Act of 1965 (HEA) was amended to include the Crime Awareness and Campus Security Act of 1990 (Title II of Public Law 101- 542). This amendment required all postsecondary institutions participating in Title IV student financial aid programs to disclose campus crime statistics and security information. In 1998, the act was renamed the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act. This act is more commonly known as the “Clery Act”. The Clery Act requires colleges and universities to:

- Collect, classify and count crime reports and statistics
- Issue campus alerts
- Publish an annual security report
- Submit crime statistics to the Department of Education
- Maintain a daily crime log
- Disclose missing student notification procedures
- Provide fire safety information (campus housing)

Sequoias Community College District Police Department publishes an annual Campus Security Report in accordance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act of 1998 ("Clery Act"), 20 U.S.C. § 1092(f), Title 34 U.S. Code of Federal Regulations Section 668.46, and the California Education Code Sections 67380-67385. This report includes important information about safety and security policies implemented to protect the welfare of our campus community, as well as crime statistics for all of the campuses and centers within the District. You may view this report on the district website <https://www.cos.edu/en-us/student-support/police>. You may also request a copy of the report by contacting the District Police Department at 915 S. Mooney Blvd, Visalia CA 93277.

Crime Statistics for each campus within the Sequoias Community College District for calendar year 2020 may be viewed at the U.S. Department of Education, Campus Safety and Security Data Analysis Cutting Tool at <https://ope.ed.gov/campussafety/#/> and at the end of this report.

2022 Annual Security Report

Title IX

Title IX is a federal law that applies to educational institutions receiving federal financial assistance and prohibits discrimination on the basis of sex in an educational institution's programs or activities, including employment, academic, educational, extracurricular and athletic activities (both on and off campus). Title IX protects all people regardless of their gender or gender identity from sex discrimination, including sexual harassment and sexual violence, which are forms of sex discrimination. Title IX requires institutions to take necessary steps to prevent sexual assault on their campuses, and to respond promptly and effectively when an assault is reported. The Violence Against Women Reauthorization Act (VAWA) which includes the Campus SaVE Act clarifies that "sexual violence" includes domestic violence, dating violence and stalking, which must be included in campus Clery reports, and also requires that institutional policies address and prevent sexual violence through training, education, and certain disciplinary procedures. The California Equity in Higher Education Act prohibits discrimination based on any protected status, including gender or sex, in all postsecondary institutions in the state. California Education Code § 67385.7 et seq. requires the California Community Colleges to provide educational and preventive information about sexual violence to students.

The District's Title IX Officer:

John Bratsch, Dean of Human Resources and Legal Affairs.
Human Resources Office, Sequoia North Building,
(559) 730-3830 / johnbr@cos.edu.

Together, these laws require California Community College campuses to:

- publish and widely disseminate a notice of nondiscrimination on the basis of gender or sex;
- designate one employee to coordinate Title IX compliance (including compliance with VAWA/Campus SaVE Act, and all other relevant sexual discrimination, harassment and violence legislation);
- adopt appropriate complaint and investigation procedures;
- implement education and prevention programs for students and employees, as well as victim resource programs for victims of sexual harassment or sexual violence;
- provide written rights and options information to victims of sexual violence;
- provide training to the campus community on how to prevent, identify and report sex discrimination (including sexual harassment and sexual violence);

2021 Annual Security Report

- provide training on how to conduct investigations to those employees who investigate allegations of sex discrimination (including sexual harassment and sexual violence);
- and, provide training to student-conduct hearing officers.

SEQUOIAS COMMUNITY COLLEGE DISTRICT

The District's College Campus, Center and learning sites are unique in size and location.

- College of the Sequoias sits on 65 acres just near Highway 198 in central Visalia. This is our oldest site and houses our nursing and physical therapist training programs as well as general education classes.
- The Hanford Learning Center is located on 13th Avenue, north of Lacey in the city of Hanford and houses educational classes as well as the Police and Fire Academies and Industrial Maintenance.
- The Tulare Educational Center is located on Bardsley Avenue, east of Mooney Blvd. on almost 500 acres, which focuses on agricultural coursework and general education.
- The Tulare Annex is a group of buildings located at Cross and I Street in Tulare. These buildings house the District HVAC training programs.

Total student population for 2022 was as follows:

District 2022	-	13,637
Visalia 2022	-	7,832
Tulare 2022	-	1,592
Hanford 2022	-	2,302

The District Facilities Division is responsible for the grounds, transportation, environmental health, safety, construction and lighting at the various learning centers. The District Police work in close concert with the Facilities Division to promote the safety and welfare of the students, faculty and staff. District Police officers patrol the district campuses and report malfunctioning lights or other unsafe physical conditions to Facilities. In addition, the District Safety Compliance Specialist inspects each campus quarterly for lighting and hazardous issues.

The District has purchased and installed video surveillance cameras for each campus. Approximately 123 cameras are in place. The cameras are not actively monitored but are proving invaluable for investigative purposes and tracking in-progress incidents.

Non-residential Buildings

Sequoias Community College District consists of over 700,000 square feet of classroom and office space. The majority of these buildings can be accessed 24/7 by staff and faculty with a district issued FOB, (a personalized access device), or keys.

2022 Annual Security Report

It is imperative that faculty and staff work together to ensure District buildings are locked and the alarm system is armed each evening to prevent unauthorized entrance. Doors to buildings are not to be propped open, or left unlocked. Lost or stolen alarm fobs and/or keys must be reported to the employee's Division Dean/Supervisor and the District Police Department as soon as possible.

Residential Buildings

Sequoias Community College District has no residential housing facilities.

LAW ENFORCEMENT AUTHORITY

The District Police Department at Sequoias Community College District is empowered pursuant to section 830.32 (a) of the California Penal Code and Section 72330 of the California Education Code which fully subscribes to the standards of the California Commission on Peace Officer Standards and Training (POST).

The department is comprised of seven full-time sworn police officers who are armed and have the same authority under the law as municipal police officers. District police officers patrol the campuses six days a week and when students are present. They enforce applicable local, state, and federal laws; arrest violators; investigate and suppress crime; investigate traffic accidents; and provide a full range of police-related services, including immediate response to medical and fire emergencies.

LAW ENFORCEMENT PARTNERSHIPS

Pursuant to California Education Code Section 67381, the District Police Department have adopted and signed written Memorandums of Understanding with the Visalia Police Department, Tulare Police Department, and Hanford Police Department that clarify and affix operational responsibilities for the investigation of violent and non-violent crimes occurring on District property. Due to the sophisticated investigative resources required to properly investigate certain crimes, the District Police Department, by agreement, has arranged in certain circumstances for assistance from the above-mentioned agencies. The agreement states that the District Police Department will be the primary reporting and investigating law enforcement agency for all crimes occurring on property owned and operated by the Sequoias Community College District, with the exception of Class I cases of homicide, robbery, kidnapping, felony assault, auto thefts, sex crimes, arson, and crimes against children.

In addition, the District Police Department will seek assistance from federal, state and municipal law enforcement agencies as needed.

2022 Annual Security Report

DAILY CRIME LOG

The District Police Department maintains a Daily Crime Log of all incidents reported to District Police. The Daily Crime Log is available for public inspection during hours of campus operations at the District Police headquarters and is available on the District Police webpage (<https://www.cos.edu/en-us/student-support/police/daily-crime-log>). Incidents are posted on-line within two business days of receiving a report of an incident. District Police reserves the right to exclude reports from a log in certain circumstances as permitted by law.

PREPARING THE ANNUAL SECURITY REPORT

This annual security report is compiled and prepared by the District Police Department at the Sequoias Community College District. Statistical information for reportable activity that occurs at COS events off campus is requested from the Visalia Police Department, Tulare County Sheriff's Department, Tulare Police Department, Hanford Police Department and various other jurisdictions, which have satellite classes or are identified as out-of-town travel. For purposes of issuing timely warnings and the annual statistical disclosure required under Clery, the campus community should report all crimes to the District Police Department.

The District Police Department does not provide law enforcement services to off-campus residences or organizations. There are currently no fraternities or sororities located off-campus that are recognized by the Sequoias Community College District. Criminal activity occurring in the public areas directly off campus is monitored and recorded by the following agencies: Visalia Police Department, Tulare Police Department, and Hanford Police Department. Students involved in criminal activity off-campus may be contacted, cited or arrested by one of these agencies. During the preparation of the Annual Security Report, each of the above agencies is contacted and a good faith effort is made to obtain information as to crimes that are reportable under the Clery Act.

CAMPUS SECURITY AUTHORITIES

The Clery Handbook states: "Even at institutions with a police department on campus, a student who is the victim of a crime may report it to someone other than the campus police." The handbook also says, "For this reason, the Clery Act requires all institutions to collect crime reports from a variety of individuals and organizations that Clery considers to be "campus security authorities" under the law."

Who is a Campus Security Authority?

- A campus police department or a campus security department of an institution
- Local Police/Sheriff (Good Faith Request)

2022 Annual Security Report

- Any individual or individuals who have responsibility for campus security but who do not constitute a campus police department or a campus security department (e.g., an individual who is responsible for monitoring the entrance into institutional property).

Although the reporting of criminal activity directly to the District Police Department is encouraged, crimes may also be reported to college officials who have significant responsibility for student and campus activities. Campus Security Authorities (CSA's) are responsible for forwarding non-identifying information to the District Police Department for inclusion in the annual security report, regardless of whether or not the victim chooses to file a report with law enforcement or press charges. As defined under the Clery Act, CSA's include college deans and assistant deans, college directors, assistant directors, athletic team coaches, athletic assistant coaches, faculty advisors to student groups, and campus staff involved in disciplinary and judicial proceedings. Please be aware that information forwarded by CSA's is for statistical purposes only, if the victim chooses to remain confidential.

The Sequoias Community College District has identified the following positions as CSA's for Clery reporting:

- District police officers
- Deans of Student Services and administrative staff
- ASB Director and administrative staff
- Athletic Director, coaches and assistant coaches
- Student Success Program coordinators
- Student club liaisons
- Dean of Human Resources and administrative staff (Title IX officer)

Professional and Pastoral Counselors

When acting in their official capacity, professional and pastoral counselors are not required to report crimes for inclusion in the annual disclosure of crime statistics under 20 U.S.C. Section 1092(f). Professional and pastoral counselors are encouraged, if and when they deem it appropriate, to inform persons being counseled of the procedures available for reporting crimes on a voluntary, confidential basis for inclusion in the annual crime statistics. A "pastoral counselor" is a person who is associated with a religious order or denomination, recognized by that religious order or denomination as someone who provides confidential counseling, and functioning within the scope of that recognition as a pastoral counselor. A "professional counselor" is a person whose official responsibilities include providing mental health counseling to members of the Sequoias Community College District and who is functioning within the scope of his or her license or certification.

2022 Annual Security Report

Mental Health Counseling Services Division

Although counselors typically have significant responsibility and involvement in student and campus activities, they are exempt from Clery reporting requirements. They are, however, contacted and encouraged to forward non-identifying information to the District Police Department on crimes that may be reported through their offices for inclusion in the annual security report.

Resolution & Advocacy Team (RAD)

The District has a Resolution & Advocacy Team (RAD) that meets weekly to review student issues affecting their success on campus. The RAD Team consists of the Deans of Student Services, District Police, and Health Center counseling staff. Faculty and staff have the opportunity to complete on-line RAD Referral forms that are forwarded immediately to RAD Team members. Crisis issues are addressed immediately while other behavioral issues are reviewed and plans developed toward intervention.

What is a crisis?

A crisis is a life event that an individual perceives as stressful to the extent that normal coping mechanisms are insufficient. The RAD members have always been at the forefront of coordinating personal counseling, guidance, and referring students to the most appropriate resources available both on campus and off campus.

In a crisis – Who Do I Call?

- Emergency – 911
- Health Services: 559-730-3880
- District Police Department: 559-730-3999
- 24-hour Tulare County Suicide Hotline: 1-800-320-1616

What to do?

Follow these guidelines for handling difficult situations:

- Assess the situation for unusual emotions, behavior, and thoughts.

2022 Annual Security Report

VOLUNTARY/CONFIDENTIAL REPORTING

If you are the victim of a crime on campus or at a district event, we encourage you to file a crime report with the District Police Department. If you would like to maintain confidentiality and do not wish to pursue action within the college or criminal justice system, you are encouraged to consider filing a confidential report for purposes of inclusion in the annual disclosure of crime statistics. These types of reports can be made to the District Police Department or to a CSA. Individuals can do this by phone, mail, or by contacting a Campus Security Authority. You may also utilize the **TipNow** by emailing **cos@tipnow** or texting **559-715-2918**. The information can enhance community safety by allowing the college to keep a more accurate record of crimes, helping to determine whether a pattern of crime exists and alerting the campus to potential danger.

SECURITY AND ACCESS TO DISTRICT FACILITIES

During business hours, District facilities are open to the community. During non-business hours, access to facilities throughout the District is restricted to those with issued keys, or to those admitted for unscheduled, and/or scheduled access through the District Police Department. Many of the buildings within the District utilize intrusion alarms and panic buttons to enhance security in these areas.

TIMELY WARNING

- **Why:** Timely warnings are triggered by crimes that have already occurred but represent an ongoing threat. In situations when there is not time for consultation, a Police Officer from the District Police Department may initiate a notification.

In matters of a criminal nature, the District Police Department will determine whether notifications are appropriate and necessary. The Chief of Police or designee will determine an incident's extent and scope and whether it meets the criteria for an emergency notification.

In matters not of a criminal nature, the campus department or District function that has jurisdiction will determine whether notifications are appropriate and necessary. When a campus department that has jurisdiction over an incident is not available to make a determination about notifications, the Chief of Police or designee may determine an incident's extent and scope and whether it meets the criteria for an emergency notification.

Once requested by a designated authority, notifications will be made as soon as practicable. Notifications will generally be made by a police officer, or designee who has been trained and is authorized to send notifications.

Illegal trafficking in over-the-counter or prescription drugs (including anabolic steroids) have maximum terms of 5 years for first offenses and 10 years for second offenses, and heavy fines. Illegal possession of controlled substances can trigger federal prison sentences and fines up to \$100,000 for first offenses, more for second offenses. Those convicted of possession or distribution of controlled substances can be barred from receiving benefits of federal programs, including student grants and loans, contracts, and professional and commercial licenses; may be subject to forfeiture of property used in or traceable to illegal controlled substance transactions.

California Laws & Sanctions:

California law prohibits the possession of alcoholic beverages on any District property or District-sponsored event, unless authorized through the COS Foundation, with appropriate ABC license. The penalties for violations of these laws may include substantial fines and jail.

2022 Annual Security Report

State law also prohibits driving a motor vehicle under the influence. A blood alcohol level of .08 percent or higher creates a presumption of intoxication, but charges can be filed with lower blood alcohol levels, drinking or possessing an open container of alcohol while driving and operating a bicycle while intoxicated.

Driving while under the influence penalties include jail or prison, fines of \$1,000 or more, driver's license suspension or revocation, and required drug/alcohol treatment programs. Refusing to submit to a test for blood alcohol can result in suspension of driver's license for up to 3 years.

Sale or possession for sale of controlled substances such as cocaine, methamphetamines, heroin, Ecstasy, GHB, Ketamine, LSD, PCP, and "designer drugs" is a felony with terms of 7 years or more; manufacture results in terms of 20 years or more; possession alone is punishable by up to 7 years in prison.

Sentences are enhanced for previously convicted felons, for distribution within 1,000 feet of a school or District campus or within 100 feet of a recreational facility, and for distribution to a pregnant woman or to someone under 18 by one over 18. Property used in drug transactions can be seized.

SEXUAL ASSAULT RESPONSE

Sequoias Community College District does not tolerate sex offenses in any form, including sexual assault, sexual misconduct, harassment, exploitation, or intimidation. Reports of sex offenses may be made to the District Police Department, Dean of Student Services, Title IX Officer, and the Health Center.

It is the responsibility of each person involved in sexual activity to ensure that he/she has the affirmative consent of the other or others to engage in the sexual activity. Lack of protest or resistance does not mean consent, nor does silence mean consent. Affirmative consent must be ongoing throughout a sexual activity and can be revoked at any time. The existence of a dating relationship between the persons involved, or the fact of past sexual relations between them, should never by itself be assumed to be an indicator of consent.

“Affirmative consent” means affirmative, conscious, and voluntary agreement to engage in sexual activity.

Persons who believe that they have been sexually assaulted or were the object of any sex offense should immediately contact the District Police, either by telephone (559-730- 3999) or in person, to initiate a crime report...**911** in an emergency. We encourage all victims to obtain necessary medical treatment as soon as possible. The District Police Department strongly advocates that a victim of sexual assault report the incident in a timely manner. Time is a critical factor for evidence collection and preservation. An assault should be reported directly to a police officer, Health Center personnel, or campus administrators. Filing a police report with the police department will not obligate the victim to prosecute, nor will it subject the victim to scrutiny or judgmental opinions from officers. Victims of sexual assault are strongly encouraged to take the following actions:

- Get to a safe place as soon as possible
- Call the police by dialing 9-1-1

2022 Annual Security Report

- To preserve evidence that will be helpful in prosecution, do not eat, drink, wash, shower, go to the bathroom, douche, or clean up prior to a medical exam.

Filing a police report will:

- Ensure that a victim of sexual assault receives the necessary medical treatment and tests, at no expense to the victim;
- Provide the opportunity for collection of evidence helpful in prosecution, which cannot be obtained later (ideally, a victim of sexual assault should not wash, douche, use the toilet, or change clothing prior to a medical/legal exam);
- Assure the victim has access to free confidential counseling from counselors specifically trained in the area of sexual assault crisis intervention.

The victim of a sexual assault may choose for the investigation to be pursued through the criminal justice system as well as the campus disciplinary process. A representative from the Police Department will guide the victim through the available options and support the victim in his or her decision. Various counseling options are available from the Health Center and support services outside those available the District can be obtained through various organizations listed on page 21 of this document.

The preservation of criminal evidence is essential to the successful prosecution of a sex offense. Therefore, it is essential that in cases of sexual assault, District Police should be contacted as soon as possible. Staff counselors are available to assist and to accompany the victim of a sex offense from the initial report to the final resolution of the case.

If you do not wish to make a report to the police, you are still encouraged to seek professional medical advice. (Please note that all health-care providers are legally required to report all cases of suspected sexual or physical assault to law enforcement).

Students and employees of Sequoias Community College District suspected of committing a sex offense of any kind are subject to criminal prosecution in addition to disciplinary action under District policies, regulations and collective bargaining agreements. Campus disciplinary action can be initiated even if criminal charges are not pursued.

In addition to criminal prosecution, complaints against students accused of sexual battery, attempted rape, rape, or other sex offenses will be processed in accordance

2022 Annual Security Report

with the procedures in the Student Code of Conduct. The accuser and the accused are entitled to the same opportunities to have others present during a campus disciplinary proceeding, and both shall be informed of the outcome of any campus disciplinary proceeding brought forth alleging a sex offense.

Sex offenses can be addressed both through college administrative procedures and through the criminal justice system. Any criminal proceeding is entirely separate from administrative proceedings of the college. In addition, students have the option of changing their academic situations after an alleged sexual assault, if such changes are reasonably available.

The college will disclose to an alleged victim of a crime of violence (as defined under United States Code Title 18, Section 16) or a non-forcible sex offense the results of any disciplinary proceeding. If the alleged victim is deceased as a result of the alleged crime, the next of kin shall be treated as the alleged victim for this purpose.

SEX OFFENDER REGISTRATION INFORMATION

The federal Campus Sex Crimes Prevention Act requires institutions of higher learning to issue a statement in their annual security report detailing where members of their campus community can obtain information concerning registered sex offenders. It also requires sex offenders who are required to register under state law, to provide notice of their enrollment or employment at any institution of higher learning in the state where he/she resides. In addition, California law requires sex offenders who attend a campus, and all campus affiliated sex offenders, to register with campus law enforcement. Members of the public may access sexual offender information at the Megan's Law website maintained by the Department of Justice: www.meganslaw.ca.gov.

2022 Annual Security Report

SOURCES FOR CRIME STATISTICS

This report contains crime statistics compiled for the 2018 calendar year, plus the previous four calendar years. The information was compiled from reports received by the District Police Department, BIT referrals, and information obtained from outside agencies.

Crime Statistics

Under the federal Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, the campuses of State Center Community College District annually report statistics on occurrences of the following offenses to the U.S. Department of Education.

- Homicide
- Manslaughter
- Robbery
- Aggravated Assault
- Sex offenses (Forcible and non-forcible)
- Burglary
- Motor vehicle theft
- Arson
- Domestic Violence
- Dating Violence
- Stalking
- Hate Crimes

Statistics for the above-mentioned offenses are made available through the Department of Education's Office of Post-Secondary Education. Statistics are available on-line at: <https://ope.ed.gov/campussafety/#/>.

OFFENSE DEFINITIONS

Per the Clery Act, crimes are classified based on the Federal Bureau of Investigation's (FBI's) Uniform Crime Reporting Handbook (UCR). For sex offenses only, the definitions used are from the FBI's National Incident-Based Reporting System (NIBRS) edition of the UCR. Hate crimes are classified according to the FBI's Uniform Crime Reporting Hate Crime Data Collection Guidelines and Training Guide for Hate Crime Data Collection. Although the law states that institutions must use the UCR for defining and classifying crimes, it does not require Clery Act crime reporting to meet all UCR standards.

Murder and Non-Negligent Manslaughter: the willful (non-negligent) killing of one human being by another.

2022 Annual Security Report

Negligent Manslaughter: the killing of another person through gross negligence.

Sex Offenses, Forcible: any sexual act directed against another person, forcibly and/or against that person's will; or not forcibly or against the person's will where the victim is incapable of giving consent. There are four types of forcible sex offenses:

- **Forcible Rape** is the carnal knowledge of a person, forcibly and/or against that person's will; or not forcibly or against the person's will where the victim is incapable of giving consent because of his/her temporary or permanent mental or physical incapacity (or because of his/her youth). This offense includes the forcible rape of both males and females.
- **Forcible Sodomy** is oral or anal sexual intercourse with another person, forcibly and/or against that person's will; or not forcibly or against the person's will where the victim is incapable of giving consent because of his/ her youth or because of his/her temporary or permanent mental or physical incapacity.
- **Sexual Assault with an object** is the use of an object or instrument to unlawfully penetrate, however slightly, the genital or anal opening of the body of another person, forcibly and/or against that person's will; or not forcibly or against the person's will where the victim is incapable of giving consent because of his/her youth or because of his/her temporary or permanent mental or physical incapacity. An object or instrument is anything used by the offender other than the offender's genitalia. Examples are a finger, bottle, handgun, stick, etc.
- **Forcible Fondling** is the touching of the private body parts of another person for the purpose of sexual gratification, forcibly and/or against that person's will; or, not forcibly or against the person's will where the victim is incapable of giving consent because of his/her youth or because of his/ her temporary or permanent mental incapacity. Forcible fondling includes "indecent liberties" and "child molesting."

Sex Offenses, Non-forcible are incidents of unlawful, non-forcible sexual intercourse.

Only two types of offenses are included in this definition:

- **Incest** is non-forcible sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by law.
- **Statutory Rape** is non-forcible sexual intercourse with a person who is under the statutory age of consent. If force was used or threatened, or the victim was incapable

2022 Annual Security Report

of giving consent because of his/her youth, or temporary or permanent mental impairment, the offense should be classified as forcible rape, not statutory rape.

Stalking: A repeated course of conduct directed at a specific person (when based on gender) that places that person in reasonable fear for his/her or others' safety, or causes the person to suffer substantial emotional distress.

Domestic Violence: Any act of violence committed against someone who is a current or former spouse, current or former cohabitant, someone with whom the abuser has a child, someone with whom the abuser has or had a dating or engagement relationship.

Dating Violence: Abuse committed by a person who is or has been in a social or dating relationship of a romantic or intimate nature with the victim. This may include someone the victim just met; i.e., at a party, introduced through a friend, or on a social networking website.

Robbery: the taking or attempting to take anything of value from the care, custody, or control of a person or persons by force or threat of force or violence and/or by putting the victim in fear.

Aggravated Assault: an unlawful attack by one person upon another for the purpose of inflicting severe or aggravated bodily injury. This type of assault usually is accompanied by the use of a weapon or by means likely to produce death or great bodily harm.

Burglary: the unlawful entry of a structure to commit a felony or a theft. The UCR classifies offenses locally known as Burglary (any degree); unlawful entry with intent to commit a larceny or felony; breaking and entering with intent to commit a larceny; housebreaking; safecracking; and all attempts at these offenses as Burglary.

Motor Vehicle Theft: the theft or attempted theft of a motor vehicle.

Arson: any willful or malicious burning or attempt to burn, with or without intent to defraud, a dwelling house, public building, motor vehicle or aircraft, personal property of another, etc.

Hate Crimes: any of the aforementioned offenses, larceny, simple assault, intimidation and vandalism reported to local police agencies or to a campus security authority that manifests evidence that the victim was intentionally selected because of the perpetrator's bias. Categories of bias are:

2022 Annual Security Report

- **Race.** A preformed negative attitude toward a group of persons who possess common physical characteristics (color of skin, eyes, and/or hair; facial features, etc.) genetically transmitted by descent and heredity which distinguish them as a distinct division of humankind (Asians, blacks, whites).
- **Gender.** A preformed negative opinion or attitude toward a group of persons because those persons are male or female. Gender bias is also a Clery Act- specific term, not found in the FBI's Hate Crime Data Collection Guidelines.
