Source: COS Research Office (Data Warehouse)

Definition: Unduplicated students enrolled in at least one course at census for the respective campus or course type are included.

## Observations:

Most students (83.9%) were enrolled in at least one UC transferable course during Fall 2021.

The significant decline in students enrolling in Non-Credit courses may be due to pandemic related challenges, AB705 practices, or the avialability of tutorial support courses offered.
