Definition: The methodology for counting transfers varies between the types of institutions.

Transfer Volume Observation:

Compared to 2023-24, the number of students transferring to four-year institutions increased to 1,370 in 2024-25. Transfers increased to all institution types during this period. Note: In-State-Private and Out-of-State numbers for 2024-25 show noticeable increases compared to 2023-24. According to the Chancellor's Office, results for previous years may also have increased due to a new matching process with the National Student Clearinghouse.
