Source: COS Research Office (Data Warehouse)

Cohort Definition: All first-time students enrolled in a credit course at census during the Fall term are included in this cohort.

Retained in Spring: Enrolled at census in a credit course during the respective subsequent Spring term.

Observation:

The percentage of first-time students retained from the Fall to Spring semester has decreased by three percentage points from Fall 2024 (81%) to Fall 2025 (78%). However, this is seven percentage points higher than the Fall 2020 cohort (71%).
