

College of the Sequoias Student Resources

Access and Ability Center

The Access & Ability Center (AAC) provides eligible COS students with a variety of support services designed to maximize access to education. Students providing verification of qualifying conditions may be eligible for services such as extended testing time in a distraction-reduced setting, equipment loans (e.g., digital recorders), alternate media (i.e., eText, enlarged print); specialized counseling, learning assessments, sign language interpreters, and/or other services.

Location: Visalia Campus, Lodgepole (back of library); Hanford Campus, the Hub in the Vocational Education building; or Tulare Campus, the Student Services Desk in Building A. Also, our Accessibility Center is located inside the ESS building on the Visalia Campus. For more information, please contact (559) 730-3805, aac@cos.edu, or visit us online at <https://www.cos.edu/aac>.

Admissions and Records

Admissions and Records serves as a continuous resource for students throughout their academic experience to provide service to students in the areas of application errors, registration holds, graduation process, transcripts, evaluation, degree audits, and record maintenance. We strive to provide accurate, responsive and respectful services to the students, faculty, staff and administration, while upholding and maintaining the policies and procedures of the District. For more information, contact us at Visalia Campus: (559)737-5471, (559)730-3729, Hanford Campus: (559) 583-2500, Tulare Campus: (559)688-3000 or visit us online <https://www.cos.edu/en-us/admissions/getting-started>.

California Mini-Corps Program

The California Mini-Corps Program assists college students who have an interest in teaching and would like to dedicate their professional careers to helping migrant students who are enrolled in California's K-12 education system. It is a statewide program designed to provide direct instructional services for migratory students in grades K-12 through a cadre of trained college tutors. Today, the CMC program encompasses two major goals:

1. To provide direct instructional tutorial services to increase migrant student academic achievement through a cadre of trained college tutors.
2. To develop a cadre of future bilingual-bicultural, credentialed teachers that will be better equipped to work with migratory students.

Program Benefits:

- CMC Tutors receive valuable professional development during monthly meeting and summer Institute.
- CMC Tutors receive valuable hands-on classroom experience in a k-12 setting (over 400 hours in regular school year).

Location: Visalia Campus, Alpine 2C. For more information please call (559) 730-3958, or visit us online at <https://www.cos.edu/en-us/student-support/california-mini-corps>.
