

Job and Work-Based Learning

Off/On-Campus Employment

Students looking for full-time, part-time, temporary, or summer jobs can log into the [Job Speaker](#) which is available online to all COS students currently registered for classes by visiting: cos.jobspeaker.com

When creating a NEW student account:

- Enter your First and Last Name
- Enter your Email address
- Enter your Banner ID
- Enter a Password

Once an account is established, you can log in with the email address and password you provided when creating an account. COS Students/Faculty/Staff can also log in through Universal log-in.

If you need additional help, please stop by the Transfer & Career Center for assistance.

My Next Move

[My Next Move](#) is a web-based interactive tool for new job seekers, students, and other career explorers to learn more about their career options. Users can:

- Explore over 900 different careers and see important information including skills, tasks, salaries, and employment outlook on easy-to-read career reports.
- Look at related apprenticeships and training, and search actual job openings.
- Find careers through a keyword search; by browsing industries; or through the O*NET Interest Profiler, a tool that offers customized career suggestions based on a person's interests and level of education and work experience.

Career reports feature the most important knowledge, skills, and abilities needed to perform the work, explained in language that's easy to understand. Outlook and education sections let users find salary info, job postings, and training opportunities. The visual design enables users to identify a career's key points, or explore a career in depth.
