

# Steps to Finding Your Career

The Career Center provides personalized services and programs related to career exploration. Assessing your personality, strengths, interests, and researching current job market will allow you to gain insight into making an informed decision about what career fits you best.

Complete the steps below and call the Transfer & Career Center at 559.737.6110 to make an appointment with a counselor.

## Step 1: Get to Know Yourself

### Who Am I?

Explore your personality, interests, values, learning styles, and careers by taking the EUREKA assessments.

[COS students click here for directions to create a EUREKA account](#)

## Step 2: Where Am I Going?

### Discover Your Career and Major Options

Knowing your career goal allows you to make an informed choice about your major.

Review and research information related to your occupation or career. Make a list of YOUR Top 3 career choices and identify the major that fits best with each. Be realistic!

## Step 3: How Do I Get There?

### Explore Education/Training Programs

Review and research education/training programs related to your occupational goal.

## Step 4: See a Counselor

### Build your Student Education Plan (SEP)

Make an appointment with a counselor to build your SEP based on your educational goal.
