

UC Transfer Information

1. To transfer to a UC campus students must complete the 7-Course pattern. See a Counselor for more information on how to complete those requirements.
2. Start your transfer level Math & English requirements as soon as you can. The UC places a high priority on students that complete transferable math & English courses early in their academic careers.
3. Complete 60 UC-transferrable semester units with a minimum of 2.4 GPA for CA residents (2.8 for Non-Residents). Note: The GPA for admission can be significantly higher due to the applicant pool. For majors that are impacted and require selective courses/GPA refer to the individual UC campuses on their transfer admission requirements
 - a. Complete coursework in the major along with your general education (GE) requirements. Look at www.assist.org for specific major requirements. To satisfy GE, you can follow IGETC pattern.
 - b. Create a **Transfer Admission Planner (TAP)** account at <https://uctap.universityofcalifornia.edu> to:
 - i. Identify the courses you will be enrolled in prior to transfer for TAG and/or UC application (e.g. if you are applying for fall transfer you need to know the courses you will be taking for spring and summer terms).
 - ii. **UC admissions is very competitive**, therefore make sure you have completed the courses required including strongly recommended courses for your major.
 - c. To find out if you qualify for **Transfer Admission Guarantee (TAG)**, click here: <https://admission.universityofcalifornia.edu/admission-requirements/transfer-requirements/transfer-admission-guarantee-tag.html>
 - d. Apply on time! Apply on time! ALL UC's accept in Fall, which requires you to apply a full year in advance. Some UC's accept Winter and Spring applicants, but you should check with a counselor to see which UC's are accepting. Visit: <https://admission.universityofcalifornia.edu/apply-now.html>
