|  | ** ADD ** POLS 005                              | Federal, State and Local Govt | 3 | GE GE / Grad                | UC4  |  |  |  |  |  |

Step 2- How to search for English and

or Math support classes?

Search for the English/Math classes as you normally would for other classes. Once class sections are displayed, pay attention to Course/Class Title and Letters in RED (see example below). Letters in RED will indicate if class sections include Support Class.

|   | the fir      | rst s ep ti | o success |        | Term | n displa | ayed: S      | Spring 20               | )20 - I                    | For specifi                    | c cour                        | se informatio | n click on the CF | RN #     |      |        |     |       |        |                   |       |
