Program Major Data Set

Groups Program Major

Source: COS Research Office (Data Warehouse)

Definition: Unduplicated students enrolled in at least one course at census for the respective campus or course type are included.

Note: Distance Education includes all courses with online or hybrid instruction method codes.

Observations:

For Fall 2022, district-wide, the most common program major is Associate for Transfer (ADT).

In Fall 2022, Registered Nursing remains a popular major for students.

Begining in Fall 2019, K-12 students are not prompted to declare a program major, resulting in more undecided majors, and less declared majors.
